Mrs. Minnie Fisher Cunningham of Texas, second vice president of the National League of Women Voters, and in charge of the national "Get the Vote" campaign, carried on by that organization, will meet Nebraska women in conference in Lincoln where the Nebraska league maintains headquarters.

Many of Nebraska's women's organizations will unite this fall in an effort to increase the number of voters in the state. The campaign in Omaha will be continued by a house to house canvass as in former years, according to Mrs. Gentry Waldo, president of the Omaha league.

Mrs. Cunningham is a speaker of force and wit and is nationally known because of her work for woman suffrage and her activities in women's civic organizations. She will be the main speaker on the Epworth assembly program on the afternoon of August first and many women are coming to the conference a day early in order to hear this address.
