FILIPINOS URGED

Points to Need of Economic Development. Manila, P. I., July 16 .- Ignoring

over the question of independence, written by the president, Governor General Wood today in his and asked further consideration of the recommendations he made in 1923, most of which have not been acted favorably upon.

"Public order has been good." said General Wood, "with the exception several armed uprisings against authorities in the Moro provinces Lanao, Sulu, Cotobato and the Colorum disturbances in the vicinity of Surigao and Mindanao.

There has been a gradual imevement in business and agriculural conditions. A larger proportion of taxes have been paid than during he preceding year. Insular revenues have increased and the general finan-

cial situation has improved. "Public health has been excellent, with no serious epidemics and the death rate lower than in recent history and 14 per cent less than in Research work by the Rockefeller foundation has contributed a

solution to our health problems.

source of almost unlimited wealth." The most creditable progress has and uncle of George Powers, father in November been made in education with a resultant marked advance in politica ment, upon which depends future
