

Supporters of La Follette May Vote for Norris

Republican Senatorial Nominee Acceptable, Says Wisconsin Candidate's Manager in Nebraska.

By Associated Press. Declaring organization of a new party in Nebraska to be necessary in order to put the name of Senator Robert M. La Follette of Wisconsin on the general election ballot as a candidate for the presidency, M. F. Harrington of O'Neill, Neb., issued a statement today in which he announced that La Follette supporters can put Senator George Norris, republican of Nebraska on their ticket, and thereby add to his majority.

Mr. Harrington, who is in charge of Senator La Follette's campaign in this state, issued his statement in connection with the conference of La Follette advocates at Lincoln tomorrow to determine upon a course of action in Nebraska, declaring that there was no chance under the law to put the senator's name on the ballot by petition and that the La Follette people could not use the progressive party of Nebraska for their purpose because the latter organization had nominated a number of democrats in the April primary.

To join with the progressive party would result, he said, "in finding democrats running for United States senator and for secretary of state on the same ticket with La Follette. None of us would stand for that. We would not endorse the democratic candidate for United States senator against Senator Norris. The only way is to organize a new party."

The statement added, however, that in many other states there were undoubtedly men running on both the republican and democratic tickets "who are known as outstanding progressives, and naturally La Follette would not want to do anything to injure these men."

Gage County Reports Large Wheat Yields

Beattie, Neb., July 24.—Big wheat yields continue to pour in from all parts of the county. W. C. Summers, living west of here, threshed his crop from a 17-acre field and secured a yield of 41 bushels to the acre. Yields running all the way from 15 to 53 bushels to the acre are reported, and it is believed the average over Gage county will be 25 bushels.

Volunteers to Mobilize On Defense Test Day

Columbus, Neb., July 24.—National defense test day will see the mobilization in Columbus for one day of all available volunteers for military service as well as the probable mobilization in uniform of all men who belong to the various military forces including the national guard, officers reserve and men who have been in the training camps.

Pawnee Teachers Move Up

Pawnee City, Neb., July 24.—Two former teachers of the Pawnee City high school are giving instruction at the second term of the summer session at the University of Nebraska. Miss Rose B. Clark, a member of the faculty of Nebraska Wesleyan, is teaching three classes in the department of geography, and Walter S. Huxford of the Doane college faculty, is instructor in the physics department.

Stolen Chickens Recovered

Nebraska City, July 24.—Two crates of chickens found hidden in a wheat field on the farm of William Schmitt, in the Paul neighborhood and turned over to Sheriff Ryder were identified by residents of Nemaha county, who came here yesterday to get their fowls. They stated the chickens had been stolen from them several nights ago.

Silver Creek Citizens, Headed By "Traffic Cop," Seek Alligator

Tom Hutchinson saw an alligator at least nine feet long in the creek south of Silver Creek, Neb., one day recently.

"Yes! He swears to it. And the skepticism of the other 53 inhabitants of the town don't swerve him from his declaration.

Tom is the Silver Creek townsorialist, an upright man and prohibitionist. "I see it," says Tom. "And I know an alligator when I see one. I've seen plenty of 'em in circuses and such."

"Mebby it was a log, Tom," ventured a skeptical inhabitant. "Log nothin'. Didn't I see him move a n' open his big mouth and everything? I'll tell the world I did. He was at least nine feet long, according to my estimates. If I was tryin' to lie I could say he was 15 feet long just as well. I believe in stickin' to the truth."

Jerry Moore, a rancher south of town, also saw the crocodilian reptile about 10 days ago, according to dispatches. "I think it was the same one," said Moore. "He was about nine and a half feet long, I calculate. Same old reptile that Tom seen."

London Meeting Faces Impasse Conflict Between French and Financiers Over Loan Security Stands.

By Associated Press. London, July 24.—The conflict in the views between the French delegates to the interrelated conference and the American and British financiers regarding the safeguards for the protection of investors in the German loan proposed under the Dawes plan, remained unrescinded today, according to well informed persons. Formal and informal meetings of the delegates today produced no indication of a way out of the impasse.

The principal meeting was at Downing street, where Premier Herriot of France, Premier Theunis of Belgium, American Ambassador Kellogg and Italian Finance Minister Destiniani had a two hours' conversation with Prime Minister MacDonald.

The greatest significance is being attached to the coming and going of Secretary of State Hughes and Secretary of the Treasury Mellon of the United States, who are having a most difficult task in convincing London that their mission here is unofficial.

Militia to Go to Camp at Ashland Next Monday

Columbus, Neb., July 24.—Columbus collecting company of 110th national guard medical regiment will leave for the two weeks' encampment of the state militia at Ashland, Neb., July 28, on a special Union Pacific passenger train which will be made up at North Platte and will take on men for the camp at all stations.

Columbus Lakes to Be Stocked With Game Fish

Columbus, Neb., July 24.—A carload of small game fish from the breeding ponds of the Nebraska game and fish commission will be placed in various lakes contiguous to Columbus this fall. The shipment will include black bass, crappies, ring perch, bull heads, rock bass, and pickerel for deep lakes.

Penalty Put on Failure to Cut Weeds at Norfolk

Norfolk, Neb., July 24.—City council has set a price of \$5 a lot for cutting weeds. This sum will be charged against any lot where weeds are not cut, the street department doing the work after 10 days' notice is served on the property owner.

Car Upped; 5 Boys Hurt

David City, July 24.—Five boys from David City were placed in the death when the car in which they were riding tipped over on the road between David City and Seward. Eugene Eller was driving. None of the occupants was seriously injured, but all received various cuts and bruises.

Tobias to Be Improved

Tobias, Neb., July 24.—Cement curbs are to be placed in the gutters of the Tobias business streets and the surfaces of the streets graveled. A contract has been closed by the city commission with the Fairchild Brothers Brick company of Endicott, for 35 carloads of Blue river gravel.

York Police Expel Hoboes

York, July 24.—Police are endeavoring to rid the town of hoboes and I. W. W.'s, who are arriving daily on every train. Officers escort them to the edge of town and warn them to keep moving. Few of them want work.

Family Hotel Is Being Built

Drake Realty Company Erects Building of Distinctive Type.

A new family hotel, one of the few to be built in Omaha, is now under construction at Park avenue and Mason streets. It is being erected by the Drake Realty company. The first unit will be opened on August 2 and will be known as "The Adolphus."

Each unit will include a building of three floors with 60 rooms. Each room will have bath and dressing room adjoining. Three suites will have kitchen privileges. J. Collins is manager.

The entire first floor of the hotel is of period architecture. Italian grillwork and "palm" plastering such as found in fine Italian homes marks the entrance foyer. The large dining room will be decorated in old rose and gray shades. The lounging rooms for men and women will be decorated in Colonial style and in the French period.

In addition to the lounging rooms and dining rooms on the first floor is a grill room and music room. In the grill room, decorated in medievale style, will be overstuffed chairs to make it a lounging room as well as grill. A private dining room to the left of the grill is decorated in Mexican peasant style.

NORTON IS NOMINATED

Lincoln, July 24.—Members of the democratic state central committee meeting here today to select a successor to Governor Charles W. Bryan, were hopelessly deadlocked tonight, with every indication pointing to a miniature Madison Garden performance being staged at Lincoln.

At 5 o'clock the Mullen faction forced an adjournment until 7, when balloting was to be resumed. Eight ballots had been cast when adjournment was forced.

John H. Hopkins was in the lead with 12 votes, with Kenneth McDonald of Bridgeport, J. N. Norton of Polk and Dan Stephens of Fremont close on his heels.

On the first ballots the Omaha delegation, exhorting Dr. Jennie Callahan, splitting between John Hopkins and Mayor Dahlman, Dr. Callahan voted for Norton. Later, the Omaha delegates deserted Dahlman, part of them continuing to vote for Hopkins while others, headed by Arthur Mullen, voted for Dan Stephens. Mrs. H. E. Newbranch cast several votes for J. N. Norton.

All Corn in 150-Acre Iowa Field is 6 Feet High

Clarinda, Ia., July 24.—All the corn in a 150-acre field on the farm of Worley Smith, two miles northeast of Clarinda, is six feet high—a perfect maturing and no discoloring patches. Mr. Smith attributes his success to the fact that he ploughed the field to a depth of 11 inches, using a 16-inch sulkey plow, tractor drawn. Tractor power plus sun power is the winning combination. The work of cultivation from first to last has been a one-man job, while the average number of acres for one man is not to exceed 60.

District Court Clerk Declines Renomination

Pawnee City, Neb., July 24.—Miss Fay Brooks, who was nominated by the republicans of Pawnee county at the primary election held last April as candidate for the office of clerk of the district court, has declined the nomination. Miss Brooks is now completing her first term in the district clerk's office, having been elected to the position in 1920. Prior to that she had served as deputy for her father, J. D. Brooks, who had served as clerk for over 30 years at the time of his death.

Barneston Minister Weds.

Barneston, Neb., July 24.—Rev. J. Dugan, pastor of the Mission Creek United Presbyterian church, near here, and Miss Wilhelmina Humm, were married at the Presbyterian church at Pawnee City Tuesday. Part of the honeymoon will be spent in Indiana, the bridegroom being a delegate to the Young People's Christian union convention.

Successful Night Test Landing Made With Omaha Parachute Flare

Pilot Allison Releases Invention at Height of 2,000 Feet.

Air Mail Pilot E. M. Allison made a successful test landing at Jarvis O'Fallon field Wednesday night. He used the newly adopted parachute flare, an invention of the Omaha air mail engineers for safe emergency landings.

At a height of 2,000 feet, Allison pulled the trigger, igniting and releasing the flare. Supported by the parachute, it settled slowly toward the earth, lighting a circle half a mile in diameter. Swooping in under the light, Allison effected an easy landing in the lighted area.

The flares take four minutes to land. They are an improvement on wing top flares, which often fire the plane after a crash.

Supt. Carl F. Egge declared the flare functioned exactly as expected. Each of the six pilots stationed at Omaha will be equipped with three flares.

BOYS BUNGLED, CROWE DECLARES

Crowe at noon recess, teeth bared in his first smile since he pulled back an undertaker's sheet and saw something there. And he says with the prosecutor's clasped hand as he congratulates: "They'll never get away from you now, God, that was great—the great set ever."

It is the rich old childless man's first public expression of his deep desire some day to see his despoilers die. The utterance came from his marrow, and what But here are the other witnesses, and what have they to do with the hatreds which are growing in the courtroom until, perhaps, some day the walls will not hold them?

Little old lady, Smith, and her round-faced daughter, Jeannette, live there and there for years, perambulating about the cheapest outer-suits of Chicago in search only of one ideal, the cheapest nice little house to be found. And that brings them to the residence at One Hundred Eighteenth street and the Pennsylvania tracks.

State Officer Probes Epidemic of Typhoid

Grand Island, Neb., July 24.—Dr. Vose of the state board of health, Lincoln, was in the city today investigating the local outbreak of typhoid, in which 19 cases are traceable to a single social event held at a country home near here. No definite statement could yet be made and even after analysis of the specimens taken, it is said, it may be impossible to fix the cause of the malady. Only one of the cases is at present serious.

Four Tax Raises to Be Contested

If Valuation Querists Violated Sabbath, Boards' Raises Are Void.

Payment of thousands of dollars of taxes depends on whether or not Sundays are included in the 20 days provided by law for the sitting of the county board of equalization. Four suits involving this question were filed in district court Thursday by R. M. Switzer, attorney.

Meeting on July 1, the board made the following rates in valuation for tax purposes: Henry Hiller, \$12,000 to \$18,000; Kirschbraun & Sons, Inc., \$47,200 to \$280,000; Swensen Bros., \$72,848 to \$85,000; Holland Lumber Co., \$23,305 to \$35,000.

If Sundays are included in the statutory 20 days the session ended June 30, and any action taken thereafter is void. If Sundays are not included the board was sitting legally on July 1.

CARBON REMOVED BY NEW FORMULA

Here's a new way to eliminate carbon in your automobile engine. A formula, known as "Motopower," has been placed on the market by the Motopower Sales company of Kansas City.

According to representatives of the company, Motopower not only eliminates carbon but increases mileage 20 to 30 per cent. Motopower is a combination of high grade oils and chemicals which are absolutely heat resisting. It contains no acids. Motopower is not sold to consumers. It is sold to gasoline dealers who treat the gasoline before it is placed in the gas tank of the automobile.
