As had been anticipated, the Germans raised the question of Ruhr conomic evacuation of the Ruhr; and five daughters. withdrawal of French and Belgian troops from the Ruhr; return of German railways taken over by the French and Belgians and amnesty for the Germans arrested during the period of occupation.

The Germans suggested that pay ments in kind not be extended beyond the dates fixed by the Versailles treaty.

In addition to the reply there was a covering letter explaining Germany's attitude on certain points. Questions raised by the Germans egarding the Ruhr are considered the allies as being outside the scope of the conference. They probably will be discussed among the al-
