#### Health Supervisor Tells Continental Club Hygiene Work Gets Results Among Students.

"Every grade school pupil should have at least 10 hours each day in bed to develop efficiency," said Charlotte Townsend, supervisor of health in public schools, speaking Friday noon to the Continental club in Hotel Fontenelle.

### POLICE SEEKING ARMED FUGITIVE

(Continued From Page One.) seen the girl frequently around the Taylor county fair. The fair, however, closed August 2, three days before Lillian McKinney is said to have left home.

### Suspect Is Released.

A man and woman held at Davenport, Ia., Friday morning as suspects were released after being questioned by authorities. Their car aroused suspicion, having a Nebraska license. Omaha police notified Parrish they are busy running down clues which they hope will lead to the location of the "mystery man."

### I believe you can get a better tire for less money at either of the Three Sprague Free Service Stations; 25th and O streets, South Omaha; 18th and Cuming streets, Omaha; First Ave. and Fourth St., Council Bluffs.

They are priced as low as \$2.50 for FORDS; for some other makes of cars as high as \$60.00, but whatever size or kind of tire you want, you will find the quality and price attractive.

### Omaha, Bluffs to Join Road Plans

#### Two Chambers Will Work Together in State Programs.

Decision to co-operate on all state road improvement programs was reached by the Omaha and Council Bluffs good road committees which met Friday at the Omaha Chamber of Commerce to discuss methods of the two cities co-operating for the betterment of roads.

### Murdock Lightens Burden on Users of Electricity

Plattsmouth, Neb., Aug. 15.—The village of Murdock, which has been meeting its municipal expenses from receipts for electricity obtained from adjacent transmission lines and distributed over its own local wires at 15 cents per kilowatt, has reduced the price to 10 cents and levied a special tax for village expenses in order that the railroads, owners of vacant lots and other non-users of electricity might be made to bear a share in the cost of police protection, etc., heretofore paid entirely by electricity consumers.

### Plattsmouth Legion Post Backs Defense Day Program

Plattsmouth, Neb., Aug. 15.—Hugh J. Kearns post, American Legion, of Plattsmouth, voted unanimous instructions to its delegates to the state convention to support a resolution favoring Defense day. In addition the legion will co-operate locally with the government, through a special committee headed by Capt. Harrison Gayer, reserve officer and commander of the department "opper" infantry. It is planned to have a parade of this "phantom" organization in the evening, in which legion men in uniform will take part, followed by a defense day meeting at some local hall.

### Peter Sees a Fourth Meeting.

A famous meeting place was the bend in the old cowpath in the Old Pasture where Peter Rabbit watched from the safety of a bramble-tangle. By just sitting there, watching, Peter was learning a great deal. He had seen for himself that Reddy Fox is polite to Old Man Coyote and steps aside for him; that Old Man Coyote is polite to Buster Bear and steps aside for him; that Buster Bear is polite to Jimmy Skunk and steps aside for him. Now Peter was wondering if there was any one for whom Jimmy Skunk would step aside and be polite.

## WARNING!

### Are You Buying CHEAP HOPS

Perhaps you have been the innocent purchaser of inferior, cheap grades of this product and have suffered many failures in their use.

## IDEAL HOPS

are carefully cured and packed from the last harvest's offering.

Be Your Own Judge

You can easily detect inferior quality by the lack of that sweet aromatic smell and freshness found in every package of IDEAL HOPS, also an abundance of pollen.
