Vance Establishes Season Record, Retiring 15 Cub Batters Via Strikeout Route

Bruin Infield Executes Triple Play in Second

Erratic Support Behind Pitcher Bush Enables Dodgers to Win Contest; Single Scores Winning Run.

CHICAGO, Aug. 23.—Erratic support behind Guy Bush gave Brooklyn a 6 to 5 victory over Chicago today in a game in which Dazzy Vance, star twirler of the Dodgers, set a season's record for strikeouts by fanning 15 men. His feat also established a National league mark for modern time, and came within one of tying the modern major league record, which was established by Rube Waddell, who struck out 16 men while in the American league, July 29, 1908.

The Cubs also contributed to the great game by executing a triple play, the first one here this season. With men on first and second in the second inning, Deberry lined to Barrett, whose throw to Grantham doubled Stock before he could get back to the bag. Grantham then winged the ball to Cotter at first base before Griffith could get back, for the third out.

Chicago took the lead by bunching hits early, but when Guy Bush weakened in the sixth and was driven from the mound when his defense cracked and the Dodgers tied the count. Barrett's two-base wild throw of Griffith's grounder in the eighth was followed by a single which scored the deciding marker for the visitors.

Shanahan Joins Knight Grid Team

The state semi-pro champion Ak-Sar-Ben Knights football team has added Paul Shanahan to its roster.

Shanahan, who played with the Olympics last year, will supply the needed punch in the backfield.

Herchel Ward, 200-pound fullback, who used to buck the line for the Fairbury (Neb.) high school team, has been signed up by the Knights. Ward does the hundred yards in 11 seconds.

The Knights held a meeting at the club house, Twentieth and Clark streets, last week. Twenty prospective gridsters were present and plans for the 1924 season were outlined.

The Knights are after games with fast middle western ball teams. They would especially like to tangle with some Kansas City (Mo.) semi-pro squad.

For games, write Howard Wolff, Omaha Bee.

Bluffs' Teams Win Games in Iowa Tourney

Union Pacific Defeats Crescent, 8 to 1, While Eagles Trim Grant.

POUNDING the ball to all corners of the lot in the sixth inning the U. P. Shop team of Council Bluffs, composed mostly of Omaha ball tossers, ruined a vision of victory which the Crescent team had conjured following five innings of beautiful pitching by the losers' curve ball artist, Warren Hough. And yet it was that same curve ball pitching that eventually led to Hough's demise at the hands of the U. P. willow swingers, by the score of 8 to 1.

Doping out Hough's deceptive twister, the U. P. nine jumped on him for three hits—a single, double and triple—netting them three runs and the game in the sixth frame. Stepping into a curve ball, Satrapa started the fireworks with a single to left. H. Klauschie followed with a crash to left for two sacks and both runners coasted home when Moravec socked the ball to deep center for three bags. Moravec scored when Babbitt threw out A. Klauschie.

Two more runs were added in the seventh on singles by Russell and Moravec sandwiched in between a double by Satrapa. The U. Ps. counted an additional two in the eighth, still pounding Hough's curve to the woods.

Smart baseball in the fourth inning counted the first marker for the winners. A. Klauschie had dumped a Texas leaguer in left field and had breezed to third on Tucker's sacrifice down the third-base line. He scored a minute later on a squeeze play with Newman. The latter was safe at first when Hough tried for an out at the plate.

Crescent was saved from a shut-out in the fifth when Benz laced the agate to the fence in deep left for two sacks, scoring Babbitt, who had gained a life at first on Newman's error. Previous to Banz's drive, Moravec had startled the fans with a meat-hand stab of R. Hough's drive down the first-base line.

Fans were given a vision of another close game when Hough opened the game by whiffing the side and again fanning three in the fourth, but when the sixth frame rolled around the furious pace told on his arm, with the result that he never again gained his former effectiveness.

A. Klauschie, on the mill for the railroaders, pitched effective ball through the nine innings and backed by good support came through unscathed with the exception of the fifth stanza.

A home run by Young, second sacker for the Council Bluffs Eagles team, tells the story of the opening game of the day. Young uncorked his drive in the second inning with one on and those two runs, added to a pair scored earlier, took the pep out of the Grant tossers, who lost, 8 to 1. Young drove the leather pellet over the left field wall.

The Eagles scored one in the first on Syneks' triple and Roberts' double, and another in the second on two singles and an error when Young did his bit.

With a shut out in sight Crow, Eagle hurler, grew a trifle careless in the eighth and a single by Sundstron, followed by a three bagger from the bat of Wyman counted a run for Grant Wyman was left stranded on third when the next three batters were thrown out.

Crow, up to the eighth had pitched shut out ball, granting his opponents a lonely three bingles, the last of which came in the third inning.

Class A baseball will come to the fore this afternoon at 3:30 o'clock when the Bluffs American Legion team and the Tabor nine clash. Tabor, with three high class hurlers from whom to choose a mound artist, is looked upon as the favorite. Tabors pitchers are: Roy Saunders, formerly of the Kansas City American Association team, Cuban Mendez and Gene Packard, former Chicago National. Who will do the slab work for the Bluffs nine still remains a mystery and will continue to be so until the umpire calls the game.

Lewis and McClelland, class S nines will meet in the first game, beginning at 1:30 o'clock.

Hastings Grid Prospects Bright

Hastings, Neb., Aug. 23.—A. F. Holste, head coach and director of athletics in Hastings college has returned here from Illinois where he spent the greater part of the summer, and during the next few weeks will make visits to various parts of the state seeking likely material for the football squad.

Only four letter men were lost to Hastings by graduation last spring and with a promising group of high school students preparing to enter this fall football fans were encouraged in their pre-season summary.

Coach Molste was the head of the athletic department at Hastings in 1909, 1910, 1911 and 1912. He has a large and well-trained nucleus around which he will build his teams.

"We have excellent prospects for a good football team this year," Coach Holste said. "We will build from the ground up, and with the number of old men that we have back, the team should get into the swing of the game in quick order."

Hastings Grid Prospects Bright

Hastings, Neb., Aug. 23.—A. F. Holste, head coach and director of athletics in Hastings college has returned here from Illinois where he spent the greater part of the summer, and during the next few weeks will make visits to various parts of the state seeking likely material for the football squad.

Only four letter men were lost to Hastings by graduation last spring and with a promising group of high school students preparing to enter this fall football fans were encouraged in their pre-season summary.

Coach Molste was the head of the athletic department at Hastings in 1909, 1910, 1911 and 1912. He has a large and well-trained nucleus around which he will build his teams.

"We have excellent prospects for a good football team this year," Coach Holste said. "We will build from the ground up, and with the number of old men that we have back, the team should get into the swing of the game in quick order."
