Catching Em on the Fly RUSEY

Johnny Dennison, chief of the Muny Dimps, assisted by "Bennyt Bennett, former state league player, did the officialing at the Hirst-Hastings game last Saturday.

An incident which happened last week at the southwestern lowa tournament at Gouncil Bluffs, just goes to show that some times the managers of small town teams, who are not the habit of paying hig prices to import a star hurler from some professional team for an important game for them, are fooled. Dunlap, Inplaying against Logan in one of yze games, thought they had Willoughov, star hurler for the Waterloo team of the Mississippi Valley league, doing the Mississippi Valley league, doing the mound work for them. Along about the eighth inning of this game the gen who was supposed to be Willoughby, broke his finger. An ambitious newspaper man, seeing a hot story in sight sent the "info" to one of the papers at Waterloo la. This same newspaper gent was somewhat surprised a little later to receive this reply: "Willoughby seen in front of this office just a few minutes ago. Carl Malmgren of the Waterloo hurling staff, and not Willoughby, pitched for Dunlap this afternoon."

SMOOTH PERFORMANCE

A marked smoothness characterizes the performance of Dodge Brothers Motor Car.

In keeping with the policy of constant improvement, effective measures have been taken to minimize vibration. Applied to the body, engine, clutch, brakes, and other vital units, these refinements add immeasurably to the comfort of travel over boulevards and country roads.

The effect is so pronounced, in fact, that it is entirely fitting to classify smooth performance as one of the outstanding attributes of Dodge Brothers Motor Car.
