PLANTING OF FALL WHEAT IS BEGUN

Stella, Neb., Oct. 3.—Planting of fall wheat has begun in several sections of southeastern Nebraska, and though a few farmers have finished their seeding many have not even started. Danger from Hessian fly, dry weather and chinch bugs delayed the seeding.

The immediate vicinity of Stella in Richardson county has not had a soaking rain since before the middle of July. Some parts of the county have had good rains in the meantime, a three-inch rain being reported last week at Rulo, in the extreme southwestern part of the county.

Dry weather and chinch bugs have made the corn crop only about half the normal yield. The general estimate is for an average of about 25 bushels to the acre, some fields going as high as 40 bushels.

HIGH PRICE PAID FOR CLOVER SEED

Stella, Neb., Oct. 3.—The average price of clover seed is large in south eastern Nebraska this year, though the yield is not heavy, being only about a bushel and a quarter to the acre. Curtis & Co., hardware dealer at Shubert, are buying a car of the clover seed to ship to a seed firm at Clarinda, Ia. The price ranges from \$10 to \$12 a bushel, depending upon the quality. In one day this week Curtis & Co. bought 100 bushels of seed, paying for it more than a thousand dollars. The largest amount received on this day from any one farm was 60 bushels and the smallest six bushels. A car of clover seed contains at least 500 bushels; consequently such a shipment represents more than \$5,000.

Republicans Organize Coolidge-Dawes Club

Fairbury, Oct. 3.—Monte Mann of Lincoln, George Williams, candidate for lieutenant governor, and Congressman McLaughlin spoke to a fair-sized crowd of Fairbury voters Thursday evening at the courthouse. A Coolidge and Dawes club was organized.

Albion, Neb., Oct. 3.—Republicans are organizing Coolidge-Dawes clubs throughout Boone county.

Silver Creek Bridge Work Is Progressing Rapidly

Silver Creek, Neb., Oct. 3.—Work on the state-aid bridge across the Platte at this point, connecting Merriek and Polk counties, is progressing rapidly. The fill on the north side has been completed and is ready for the top surface of clay and gravel. Steel piling that will be driven for the piers is on the ground and the pumping of the gravel for the concrete work is under way. There will be 10 spans each 160 feet in length, making 1,600 feet of bridge and about 3,500 feet of fill, in all a construction project of nearly a mile.

Fleharty Visits Creston.

Columbus, Oct. 2.—Harry R. Fleharty of Omaha, democratic candidate for state attorney general, addressed a democratic rally at Creston, Neb., Thursday night. He was accompanied by Congressman Edgar Howard and other Platte county democratic officials.
