

Brookhart Bolted Party by Attack, Committee States

Senator's Opposition to Coolidge and Dawes Leads to Decision by Iowa G. O. P. Chiefs.

(Continued from Page One.)
 to support the presidential candidacy of Robert M. La Follette.
 "My whole soul is wrapped up in the principles of Lincoln, Roosevelt and Kenyon. I will fight any leaders who seek to divert the party from these great purposes."
 "Issue has now arisen in Iowa," Senator Brookhart continued, "as to whether the principles of the republican party shall be determined by the voters themselves or by a small group of crooked and irresponsible dictators set up by the Nonpartisan league of Wall street. This group has assailed me with renewed and vitriolic venom and I, therefore, wish to restate my position and to reform the lines for a final fight to oust this gang from the control of the republican party."
 "I have never had a thought of leaving the party. Roosevelt assailed the malefactors of great wealth who seek to control every department of our government, and he demanded the recall of autocratic judicial decisions by direct vote."
 "The Coolidge newspapers over the state, with few exceptions, have bolted me and continue to denounce me and my platform, approved by the voters."
 "The cause of this situation grows out of the following matters in congress:
 "I was against Newberryism.
 "I was against the ship subsidy.
 "I was in favor of repealing the Esch-Cummins railroad law.
 "I was in favor of investigating corruption in the departments.
 "I favored the old soldiers' bonus bill.
 "I favored the postal employees' bill.
 "On all taxation I favor high taxes on excess profits and large incomes and estates.
 "I oppose giving Muscle Shoals to Henry Ford or any other private interest.
 "I favored Senator La Follette's resolution to adjourn congress until July 7, after the conventions and

then return and enact the farm bill. "The president belongs to the Wall street bloc. "I belong to the farm bloc.
