Much May Be Said Relative to the New Version of Sports Costume for Smart Events Outdoors

W ITH a week just finished in which every day boasted its own particular and delightful sports event, we find it diverting to consider for this week the original—the tailored—the sports-like in models for old and young alike. A hat of brown fell to the property of the consider for this week with an old little and the consider for this week with an old little and the consider for this week with an old little and the consider for this week with an old little and the consider for this week with an old little and the consider for this week with an old little and the consider for the consider for this week with an old little and the consider for the consideration of the consideration with an odd little slashed felt ornament at the side. As spotted as any leopard those little v-points of four on a brown sports frock whose neckline is graced by not one but several buttoned drapes of the material. And for a coat that combines the practical and swagger with the originality demanded of sports wear-may we suggest this-a soft black imported material, all-over tucked in diamond designs with a wide banding of racoon on high Holy Angels Parish club will give collar and draped side. By way of suggestion:
