

Dawes Advance Man Is in Omaha

Doors Will Open Friday Night
at 7 Intrad of
7:30 P. M.

Mal. George A. Paddock, advance representative of Gen. Charles G. Dawes and party, was here Wednesday morning in conference with O. E. Engler, republican chairman; Jesse Palmer, Joe Morrow and others who are arranging the Dawes meeting in the Auditorium Friday night.

Members of the Old Guard post, G. A. R., are to be present at the Auditorium Friday night when Mr. Dawes takes his place on the platform.

Reservations have been made for every member who cares to attend.

Because of the short time in which the members may be notified of the arrangements J. T. Beatty, commander, has asked all who wish to attend to be at the doors of the Auditorium when they open.

The Auditorium will be opened at 7 p. m. instead of 7:30 as previously announced. Reports from nearby points indicate that the seating capacity of the Auditorium will be in big demand and the committee believes that the building will be filled before 8 o'clock.

Immediately on his arrival here Friday afternoon at 2:30 General Dawes will go to the Fontenelle for a rest. His Friday schedule calls for a stop at Grand Island in the morning, at Columbus during the noon hour and at Fremont during the afternoon.

ECZEMA

You will be compelled to admit that the results of S.S.S. are really amazing!

MANY people imagine that eczema or tetter needs only some external application on the skin in order to get relief. This is because the attention of the sufferer is so violently directed to the intense burning and itching which accompanies this disease. Try as they may—permanent relief will never be theirs until the disease laden blood is thoroughly cleansed.

We know there is one thing that stops eczema and that is more red-blood-cells! S.S.S. builds them by the million! You can increase your red-blood-cells to the point where it is practically impossible for eczema to exist. We know that as blood-cells increase in number, blood impurities vanish! We also know that night follows day. Both are facts! But have you, eczema sufferers, ever actually taken advantage of this wonderful fact? Thousands just like you have never thought about it. Skin eruptions, eczema, with all its fiery, skin digging torture, and its soul-tearing, unrelenting itching, pimples, blackheads and boils, they all pack up and go, when the tide of blood-cells begins to roll in! Blood-cells are the fighting giants of Nature! S.S.S. builds them by the million! It has been doing it since 1828.

S.S.S. is one of the greatest blood-cell builders, blood-cleansers and body strengtheners known to our mortals! When you put these facts together—then to continue to have eczema and skin eruptions looks more like a sin than a disease. S.S.S. contains only vegetable medicinal ingredients. Because S.S.S. does build red-blood-cells, it routs eczema, clears the skin, builds firm flesh, fills out hollow cheeks, and gives you that more up and going appearance.

S. S. S. is sold at all good drug stores in two sizes. The larger size is more economical.

Profane School Yells Protested

Pierce County Ministers Urge Principals to Eliminate Sideline Vulgarity.

Plainview, Neb., Oct. 8.—At the Pierce County Ministerial association meeting, a resolution was adopted protesting against the use of vulgarity and profanity in class plays, school yells and on the side lines of ball games. It was stated that such expressions not only showed irreverence, but also reflected upon the culture of the individuals who used them. Principals were urged to try to eliminate such words from class plays and yells, and if possible from the side lines of the ball games.

The following officers were elected: Rev. W. Ewart Dudley, president; Rev. R. F. Farley, vice president; Rev. W. S. Rowden, secretary-treasurer; Rev. G. M. Bing and Tennyson Lewis, program committee.

A paper was presented by Rev. W. Ewart Dudley on "The Minister's Message for Today." He said that the minister's message should be well balanced, as the over emphasis of one phase of truth to the exclusion of another led to heresy. "The idea of compelling an 'all American Bible' to take the place of ancient Hebrew writ is foolish," he said. "If we are to make Woodrow Wilson the modern 'prince of peace,' and substitute Lincoln for Christ, we will not be progressing, but returning to hero worship. But, further, all that is wise, good and noble in such personages as Wilson, Lincoln, Washington and Jane Addams is so because they patterned their lives after the Master Himself, and their virtues are only outstanding in the places where they conform to the lofty principles of Christ. They themselves recognize Christ as their own pattern. If we take the lowest estimate of Christ, He is still the ideal man, the flower of humanity, and His teaching the most sublime, then why should we ignore Him for lesser personages who are less perfect, and who never laid
