

150 Trimmed and Banded
FELT HATS \$

1
While They Last Saturday, Choice,
Chic new arrivals. Just unpacked. Every
imaginable color and two-tone combina-
tions. All favored shapes. So extraordi-
nary are these values that we doubt if
they will last throughout the first hour's
selling Saturday morning.

Be One of the Lucky 150 Women.

Combinations
Hatters' Plush

Large bows, pointing upward to accept a
high crown, or outward to elaborate a
gracious width of brim; burnt goose, silver
lace and applique evidence the style notes
of the season.

There are rich hats of black, though more often a dashing bit
of color is introduced; all the new tones of autumn are included.
