Facts!

About the "Stylish Stout" Rubber Reducing Girdle

Boned at the sides, at front and back, so that it prevents the flesh from falling into "pockets" that occur in unboned girdles.

It's a lovely peach pink rubber, brocaded in effect. All its trimmings are of a matching tint.

You have a choice of step-in models, clasp-front, with or without laced backs.

It's made of amazingly strong rubber, perfectly cured. It gives a beautiful firmness to the flesh and a delighting length of line.

10.75 and 12.75

You can "melt" away the extra pounds—you can bring out the lines of youth by wearing the wonderful new Stylish Stout Reducing Girdle.

You will see, by just one fitting, that this girdle makes you LOOK slender until you really are. No longer do you have to look stout until strenuous exercise or starvation diet makes you thin. From the very moment that you put on the Stylish Stout, your figure takes on the fashionably straight lines that gives it the appearance of slenderness.

You begin to reduce—gently, comfortably and best of all—quickly. Every hour you spend in this reducing girdle helps melt your flesh away—whether you work, play or rest in it.

See This New Reducing Girdle

You'll have to see it to appreciate how wonderful it is. A lovely pink in color, brocaded in effect—it is a surprise that such durable rubber could be made so beautiful.

Styles for every figure and type—step-ins and clasp-fronts, back-lacings and non-lacing models.

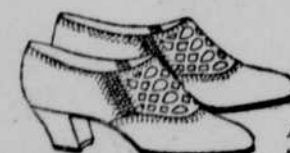

Choose the Stylish Stout Reducing Girdle before you buy your fall outfit. You'll be delighted in your diminished size.
