Track Record Broken in International Special at Latonia, Ky.; Epinard Takes Second.

Zev Proves to Be Fit

By Associated Press. Latonia, Ky., Oct. 11.-Smashing all existing Kentucky track records for a mile and a quarter to pieces, Sarazen, 2-year-old chestnut gelding, owned by Mrs. W. K. Vanderbilt II, today vanquished Epinard, pride of the French turf, in the final race of the international series, before a record-breaking crowd of 50,000 to 60,000 specta-

Sarazen, ineligible for the previous two international races because he was a gelding, flashed across the wire a length and a half ahead of the gallant French horse in 2:00 4-5. This was within 4-5 of a second of the world record established by the great Whisk Broom II, 10 years

Whisk Broom at that time carried 135 pounds, while Sarazen was burdened with 120 today. Sarazen stepped the fastest mile and a mile and a quarter even run on the Latonia track. He was clocked at the mile in 1:35 4-5, clipping a fraction of a sec ond off the track record.

Epinard Given Praise.

Epinard, strangely enough, finished today as he did in his two previous American starts, when he finished second to Wise Counsellor and later to Ladkin. While Sarazen's victory was convincing, Epinard was just as wonderful in defeat. Working his way through interference when Alta-wood and Mad Play bumped in the German Cabinet final 16th of the race, Epinard came up from fourth place, shot quickly to the outside, flashed ahead of Mad Play and was gaining rapidly on the Vanderbilt gelding in the closing

Mad Play, the entry of Harry F. sinciair, probably ran the greatest race of his career, finishing on top Foreign Minister Threatens Learns of Sudden Loss of of Epinard for third place. Altawood, owned by C. Bruce Head of Lexington, made a desperate effort, and was barely beaten for third place. Alta wood finished fourth, six lengths ahead of Princess Dorcen, the heavily played filley, which landed fifth place, while Little Chief finished sixth, My Play seventh and Chilhowee last.

Special Dispatch to The Omaha Bee. Columbus, Neb., Oct. 11 .- Though laming oil was scattered all around them, Mrs. Martin Smidt and her two youngest children, Ethel and Keith, escaped through a wall of flame when a lamp in the room exploded, starting a fire which totally destroyed their farm home, half a mile north and two miles west of Monroe, dur

ing the night. Mrs. Smidt was putting the two to bed in an upstairs room when the lamp which she had set on a nearby dresser exploded, throwing the burning oil to all parts of the room. Gathering the two tots into her arms, Mrs. Smidt carried them down the stairs through the burning house to safety Smidt sounded the alarm over the elephone, and neighbors and people from town fought the flames.
