

Tijuana Winter Race Meet to Be Largest in History of Western Track

Eastern Owners Plan to Invade Mexican Turf **Owner of Track**, Due to Large Number of Entries,

Forced to Build More Barns.

By GEORGE W. SCHILLING. EW YORK, Oct 11 .- Attracted by the \$1,000,000 in stakes and purses as provided by the Tiajuana Jockey club as its turf offering the winter racing, which will be inaugurated on Thanksgiving day, the demand here for stable reservations at the Mexican course has overtaxed the vacant space left and for the fourth consecutive year President James W. Coffroth will be forced to contract for the erection of additional

Eastern Bowling Teams Adopt Western Plan in League Tourneys

New York, Oct. 11 .- One of the , the fraternal and social societies brand new features in bowling this season will be the general adoption by alley owners of the of the greater city of the western idea of having all teams in the league tournament bowl on one evening. The advantage in this great innovation over the old system of having three teams bowl once or more each week, is apparent. Particularly is this true in the close tournaments. At the Recreation in Brocklyn, for illustration, there is the Wall Street league, made up of 24 five-man teams of brokers and clerks and 12 five-man teams from

· EN PHILLIPS of Dental Sup- ways Bobble Jones, the new national K ply fame is one of the few golf leader, makes the new national Omahans who is honored by champion this country has ever seen. It is claimed that the true golfer is shell makers in that they write him the man who can best master the regarding the merits of certain gun two phases of the game-match and and shell features before placing them medal play. Jones has repeatedly

on the market. But Ken has no friends among the decoy manufacturers, Therefore, wishing to have some pintail decoys and being unable to find such a thing on the market, he made some himself. He made them out of great blocks of cork which had been treated with a liquid solution of cement. After weeks of labor he managed to complete two dozen of the birds and.

New York, Oct. 11 .- Mr. P. C. Pulver, the golf expert says: In many demonstrated by the smoothness of his game that he is the best medal

Ideal Champion

player in the amateur ranks. Because of his- repeated rebuffs year after year, it had begun to be feared by his admirers that Bobbie was not cut out for the hard man to man match play phase. He had made his try and been turned back in seven amateur meetings and because of this some persons had accused Jones of lacking the fighting spirit. That is all changed now. He never had his nerve under better control, he never appeared so completely master of the situation as he was through out the entire five days of match

are certainly a work of art. Their long necks and tails, their coloring, etc., were perfect. He equipped them with balancers and anchors and loaded them into his

car. Then he drove to his shooting grounds and started to carry that sack of decoys to his blind. It was a quarter of a mile. When he got there he was so all in and tired that he never fiered a shot for an hour. He just rested. These decoys, although made out of cork, weighed about six pounds each. He finally

With a changed lineup on the field ave a big banquet in honor of the defeated the Otoe county boys at Neyesterday, the South High Packers put them in the water and they are there yet so far as Ken knows.
