Chicago Market on Grain Closed on Columbus Day

Attention of Traders Turns to Winnipeg and Liverpool; Closing Flurry in Canadian Market.

By CHARLES J. LEYDEN.
Universal Service Staff Correspondent.

Chicago, Oct. 13.—With the Chicago Grain exchange closed today in observance of Columbus day the grain trade's attention was directed to the northwest markets and Liverpool. Winnipeg surprised by advancing 3c early in the session, and closing 3¾c to 4⅝c higher. Heavy rains over the Canadian northwest further delayed threshing and movement of the new wheat crop. The recovery at Liverpool, which closed ¼d higher to ¼d lower, after an early break of 2d to 2¾d was another stabilizing factor at Winnipeg.

Late reports from the Argentine of frost were relayed from the Canadian market, and apparently they caused the closing flurry there. Minneapolis wheat displayed fair strength and finished 1¼c to 1⅝c higher. Demand for cash wheat there was fairly active at unchanged premiums. There were 1,236 cars of wheat inspected at Winnipeg, against 1,869 cars for the same day a year ago. And 1,500 cars of wheat were in sight for tomorrow.

World shipments of wheat and flour last week were 21,480,000 bushels, against 12,898,000 bushels the previous week and 13,342,000 bushels last year. Of the amount cleared last week 16,000,000 bushels were shipped from North America. The movement of wheat in the American northwest remains fairly large, but the shipments are gaining proportionally. Duluth had 1,105 cars of wheat today, against 327 cars a year ago. Minneapolis had 1,218 cars, against 473 cars last year.

Cattle—Receipts, 32,500 head. The estimated receipts of 32,500 cattle Monday were probably the heaviest in the history of the Omaha market. Corn fed lines were very scarce, probably not over 20 loads all told and the market for these was active and 15@25c higher than last week. The top was $11.75 for choice yearlings. Grass beeves and cows were slow sale and weak to 15@25c lower and the same held true as to stockers and feeders.

Bulk of all sales was at $10.40@11.00 with early top $11.00.

FEED.

The tendency of the mill feed market was toward higher levels last week; but with the sharp break in all grains late in the week, together with fair weather and moderate temperatures it was difficult to maintain advances. However the ideas of manufacturers were bullish and published were somewhat higher for the week. Demand was reporting showing an increase late in the week; but only fair at best. Mills were not contracting very far ahead, on the belief that the market will work higher as the season advances. Very few transit offerings were noted in this territory, as most stuff is moving on contract. Production is reported at nearly 100 per cent, in Omaha, as some mills operated full time. There has been a fair demand for flour, and the break in wheat late in the week is expected to increase the eastern demand.

Linseed meal prices have been advanced. However, demand is light, except on resales at prices under mill quotations. Most mills are now operating on a fairly busy scale.

Better Than Calomel

Thousands Have Discovered Dr. Edwards' Olive Tablets are Harmless Substitute

Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but sure laxative, and their effect on the liver is almost instantaneous. These little olive-colored tablets are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel.

The pleasant little tablets do the good that calomel does, but have no bad after effects. They don't injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids. It is best not to take calomel. Let Dr. Edwards' Olive Tablets take its place.

Headaches, "dullness" and that lazy feeling comes from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "logy" and "heavy." They "clear" clouded brain and perk up" the spirits. 15c and 30c.—Advertisement.

THIS WOMAN'S MARVELLOUS RECOVERY

All Due to Lydia E. Pinkham's Vegetable Compound

Truman, Minn.—"I was badly rundown and had pains in my side and back; sometimes I couldn't hardly move around in bed. My husband got me Lydia E. Pinkham's Vegetable Compound, and after taking it I was so much better I could do all my work again. I do my housework, have a garden, raise chickens, and in harvest time I worked in the field and helped pick corn. Sometimes I do chores and milk. I took the Vegetable Compound before and after my four-months-old baby was born, and it has always helped me wonderfully. I believe there is no better medicine made for women, and I hope every woman will give it a fair trial."—Mrs. AUGUST R. WIEDERHOFT, R. No. 2, Box 84, Truman, Minnesota.

Women suffering from troubles so common to their sex should give Lydia E. Pinkham's Vegetable Compound a fair trial.

The Lydia E. Pinkham's Vegetable Compound has relieved women of such troubles for the past fifty years. For sale by druggists everywhere.
