

Huskers Display Decided Improvement in Practice Against Freshmen

Injuries Keep Two Regulars Out of Lineup

Coach Dawson Puts Varsity Crew Through Long Session With First Year Men Tuesday.

INCOLN, Oct. 14.—If the Nebraska varsity could go against Colgate Saturday like it went against the freshmen Tuesday evening, things would be looking up in the Nebraska camp. The varsity was playing the old army game in the highest degree of its developments. Things had gotten there Saturday at Norman and they passed it on generous quantities to the freshmen in a long session which was held on the sod field at the stadium. To start, the first string was doing business as usual with two exceptions.

Captain Weir and Cecil Molzen, both of whom sustained minor hurts in the Oklahoma game, were on the sidelines. Kucha, appearing for the first time with the first string, was at Molzen's tackle when Norman Gray was performing as Captain Weir's position. The first year team was handicapped by the absence of Rob Stephens, who is carrying a burned foot. Stephens in his previous appearance with the frosh, made the going hard for the first stringers. Stiner, the Hastings boy who played with Lombard last season, was doing his share of the work in the frosh line. He was at tackle. He was getting through regularly to hurry a varsity back who was trying to forward pass.

Bloodgood was hung up on an early play and Kamm relieved him at quarterback. Aard Mandery began running with the ball like he was going some place and a result turned in several good gains. Ted Smith and Paul Ristine, two likely looking backfield candidates were given a turn late in the evening.

BEATS TOM NOBLE

Trenton, N. J., Oct. 14.—Tommy (Kid) Murphy, defeated Tommy Noble of England last night in a 10-round bout, according to the referee. Peter Hisc of Harrisburg, suffered his first knockout of 200 contests at the hands of Sammy Fulton, Trenton.

WINS GOLF TITLE

Shenandoah, Ia., Oct. 14.—Ben A. Brower is the champion golf player of Shenandoah, having won the title by defeating Dr. J. D. Bellamy, 9 and 8, in the finals. Brower, who is president of the Southwestern Country club, held the title in 1922.

The Caledonians were taxed to their utmost to score their victory Sunday, however, their superior playing turned the trick and they deserve the credit.

South Works for Creighton Game

Coach Patton expects a hard game for his men when the Creighton Preps and South High meet next Friday, in spite of the one-sided score of the Creighton-Tech game last week. Patton's men showed only one outstanding weakness in their game with Nebraska City, and that was their inability to break up forward passes. The line worked splendidly considering that the members were playing in strange places. They dug holes and held on the defensive like tried veterans.

The addition of Captain "Dote" Reeves to the Packer backfield has strengthened the South ground gains greatly. He was in the game only a short time Friday, but tore through for some long gains time and again. With Bertacini and Pankowski to work with, the addition of the captain is going to make the Packer backfield a hard hitting offensive quartet. Olson filled in for Reeves Friday and performed in his usual ground gaining style.

WHITE SOX EVEN SERIES WITH GIANTS

Montreal, Oct. 13.—The Chicago White Sox defeated the New York Giants, 6 to 1, today, thus evening up the series. Tomorrow the clubs will open at Quebec, where they also will play two games before sailing Wednesday evening for Europe. Score by innings:

R. H. E.	
Giants	0 0 0 0 0 0 0 0 0 0 0 0
White Sox	0 0 2 0 2 1 1 0 1 2 1 0

Charlie Peters Turns Football Player

Charlie Peters, Iowan sheriff and former wrestler, has turned football player. Charlie plays tackle on the West Side Athletic club eleven, which lost to the Blair team Sunday, 0 to 7. Carlson, Shanahan and Van Deusen played the best game for Blair, while Peters starred for the losers.

The grade school soccer players of today are Omaha District soccer players of tomorrow.

Says "Bugs" Baer: THE GLUTT IN ACTION

The Rat of the Rockies Fights the Guinea Pig of the Rockefeller Research Laboratory.

ON Quitting Romero-Rojas is only one man, although it sounds like he has his gang with him.

The Don is also the Lion of the Andes.

In the meantime, the Rat of the Rockies is anxious to meet the Zebra of Feldman's Merry-go-rounds.

The Rat is feeling great and wants to meet all the good fighters one at a time or all at once.

He weighs exactly 240 pounds with a meal on board. He knocked Firpo off the boat last week and bounced him down the wharf.

When The Glutt fought Dempsey last month, there was only one answer to the guess. Dempsey wouldn't go near The Glutt. He stayed so far away from him in the ring that he looked like the pinboy in a bowling alley.

That's a nice thing to say about Dempsey looking like a pinboy in the bowling alley. But it's true, and The Glutt chased Dempsey until his tongue was longer than his necktie.

The Glutt will be at Madison Square Garden to defend his title against the heavy boys. There will be plenty of loose slugging when the gong plays the "Kissing Song" from the opera, "Candella's Iron Knuckles."

The Glutt has been ruined by cheap Chinese labor. He should be the man who fights Wills instead of Bertley Madden. He admits that Madden is tough, but The Glutt is tougher.

Madden wouldn't be tough out in Kufftown, that grand old place where

Tech Prepares for Sioux City

With one of the hardest games on the schedule only five days distant, Tech High's football team last night settled down to real scrimmage in preparation for the battle with Sioux City next Saturday at the Iowa city.

The Maroon and White squad came through the Creighton Prep game last Friday in fine shape, and, barring injuries in practice, should present their strongest lineup against the Iowans. Provost, a new man, but a regular at tackle, is temporarily laid up with a bad leg, but will be able to don the moleskins in a day or two. Hall, all-state guard, was forced to leave the game Friday with an injured knee, but this healed quickly, and he was in the thick of the scrimmage Monday evening.

Sioux City has a reputation for turning out excellent teams in every branch of sport and though Tech and Sioux City have not met recently, the game should be close, with the result doubtful. Although a defeat in this game would not remove them from consideration as contenders for the state championship, Tech will make a determined effort to keep a clean slate by coming off victorious in the Saturday encounter.

In all probability, Tech will start the game with the same lineup which opened against Creighton, with Winston at center, Captain Short and Hall at the guards, Provost and Lucas at tackles and Garvey and either West or Maasdam on the wings. An interesting fight for an end position is developing between West and Maasdam, with neither having a decided advantage. West seems to be the better at the receiving end of an aerial attack, but Maasdam is much the heavier of the two.

M'GRAW, DOLAN HOLD CONFERENCE

New York, Oct. 14.—It was reported today that John McGraw, manager of the New York Giants, and Coy Dolan, his ex-coach, who was banished from baseball for alleged attempted bribery, held a two-hour conference last night just before McGraw left to join his club on a tour of the world. The outcome of the meeting was not made known.

Valuable Steed Lost in Fire

Lexington, Ky., Oct. 14.—Prince Palatine, E. T. Simms' \$250,000 stallion, burned to death at Nalapa farm, Bourbon county, last night.

Big and Hall Stage Good Fight

Atlantic, Ia., Oct. 14.—Roscoe Hall, boxing instructor at Iowa City, and Erwin Bige, Omaha, fought a 10-round bout, the main bout of an Elks' club fight card, here Monday night. The boy from Nalapa traded blow for blow with the Iowa lightweight champion, the latter getting just a shade the best of the last round. Eddie Berry of Atlantic and Judd, Iowa university student, got a draw in the semi-final.

Bluejay Line Is Reinforced With Return of Krasne

WITH the return last night to the Creighton university grid camp of Marcus (Big Boy) Krasne, who galloped his shoulder last week in scrimmage, the Bluejay hospital roster contains not an injured Blue warrior.

This brings to wearers of the Blue and White who are inclined to figure the "dope," a feeling of chaffin, as the Creighton eleven will be in good shape, barring further injuries throughout the week, for its second central conference game of the season this Saturday with Morningside college of Sioux City.

Coach Wynne eased up on the training grind last night in the first workout after the Bluejay victory over Des Moines university Saturday. The Blue squad did not buck up against the fiery frosh in scrimmage, but it had plenty of exercise. What with the usual portion of calisthenics and a vigorous half hour spent with the bucking machine by the linemen, the workout was complete before dusk.

The backfield men had a chance to brush up on the passing game, while Bertoglio and Lower spent a session booting the ball over the crossbars on the try point play. Wynne divided the big squad into eleven to watch the waning moments of the practice period, and sent the huskies up and down the field in signal practice.

Rickard Will Give Fulton Trial

New York, Oct. 14.—Tex Rickard declared today that he planned to go through with the proposed Fulton-Firpo bout at Madison Square Garden on November 7 in spite of Fulton's recent defeat at the hands of Martin Burke.

ACCUSED SLAYER VISITED BY WIFE

Special Dispatch. The Omaha Bee. Beatrice, Neb., Oct. 14.—For the first time since the arrest of Edward Schuermann, Dewitt farmer, charged with the murder of George Remmler, near Dewitt, last week, his wife visited him at the county jail today and talked with him for some time regarding conditions on the farm.

Both appeared to be friendly. It is supposed that the wife will take the witness stand in the case of her husband when the case is called for trial in district court.

Schuermann says he killed Remmler because he believed Remmler had tried for three years to wreck his home.

HARMON MATCHED WITH MARTONE

New York, Oct. 14.—Willie Harmon of New York and Harry Martone, Jersey City, welterweights will meet in a 10-round semi-final to the Mickey Walker-Jock Malone battle at Newark, October 25, the National Sportsman club announced tonight.

Walker, world's welterweight champion will enter the ring at catchweights with Malone, a middleweight.

SCHAEFER SEEKS MATCH WITH HOPPE

New York, Oct. 14.—Jake Schaefer, San Francisco billiard star and former world's champion, has challenged Willie Hoppe, the present title holder, to a 4,000-point match at the 35.2 ball game.

Hoppe's crown, however, would not be at stake if he accepts, as he cannot formally be challenged until after the title tournament in November.

Weinstein Rises in Net Ranks

New York, Oct. 14.—Irving Weinstein, University of California tennis star, has joined metropolitan ranks, it was learned today, after making his first appearance during the last season in national championship events on the Atlantic seaboard.

Tolley, Partner Hold Jones, Mate on Even Terms

Atlanta, Ga., Oct. 14.—Cyril J. H. Tolley, French open champion and former British amateur champion, paired with Perry Adair, twice southern champion, finished all square in an exhibition golf match here this afternoon against "Bobby" Jones, amateur champion of the United States and former open champion and "Chick" Ridley, Georgia state champion. The match went 18 holes over the difficult East Lake course, the proceeds being devoted to charity.

Herschel Bennett, who established a world record by scoring 111 runs, headed the sluggers among the recently graded Western leaguers. The former Tulsa outfielder had a batting average of .314 with the Browns in 41 games this season.

Omaha Maroons Prepare for Tarkio Contest

Coach Adams Gives Squad Strenuous Workout Monday—Captain Bolzendahl Out of Lineup.

RUNNING signals until dusk, the University of Omaha football team last night started its final week of preparation for the season's opener with the tough Tarkio, Mo., team next Friday at League park. It was called signal practice, although most of the time a healthy opposition was put up by eleven men taking the place of the enemy. Coach Adams devoted most of his attention to the backfield, and a perceptible improvement in the interference was the result.

Coach Adams after putting his men through two tough practice games last week, is not taking any chances on injuries, breaking up his lineup for the tussle with the Missourians, and will probably confine the work of this week to signal practice, interference, and scrimmage with the reserves.

It is uncertain whether Captain Bolzendahl will be able to lead his team in the first game of the season as his bad knee was severely strained in the game with the Fort Omaha soldiers last Friday. Merk, who plays the opposite tackle, and who also was laid out of the game Friday with a leg injury, will probably start at left tackle. Either Pinto or Thelen will probably take Captain Bolzendahl's place at the other tackle if his knee does not show considerable improvement.

The backfield is in fairly good shape, although it was back in the lineup Monday at quarter, with a guard over his right hip. Emigh has a strained ankle which may prove a source of trouble, and Slater supports a badly bruised knee. Drila is riding a cantankerous charley horse, but hopes to work it off before Friday.

Monday night the entire squad met at signal practice, and who also was held these classes every day until the game.

BURTON PROPOSES SPECIAL RACE

Chicago, Oct. 14.—Frederick Burton of Chicago, owner of Wise Counselor, today proposed an international race, matching Sarazen, Laddin, Wise Counselor, winners of the three international sweepstakes; Epinard, the French champion, and Black Gold, Kentucky derby winner, to be decided at Churchill Downs course early in November.

"Epinard is a much better horse than any of his races in America have indicated," Mr. Burton said. "It is due to his owner, Pierre Wertheimer, that we grant him another chance to show just how great a soul he is."

Wise Counselor was unable to start against Epinard in the \$25,000 special at Latonia last Saturday, but previously defeated him.

Latonia, Ky., Oct. 14.—Epinard, French thoroughbred, defeated in his three American starts, will probably meet Sarazen, his conqueror in the last international race, in the Washington handicap, November 1, at the Laurel race track. The W. K. Vanderbilt gelding is eligible for the handicap, which is a mile and a quarter event—the same distance as the last international race here.

This was determined today when Eugene Leigh, trainer of Epinard, said the horse would be shipped to Laurel tomorrow for the Laurel stake, a weight for age event over a mile.

The condition of Epinard is splendid, Leigh said, but he thought he would not come west for the Churchill Downs meeting.

COAST LEAGUE FLAG RACE CLOSE

San Francisco, Oct. 14.—The final series of the Pacific Coast Baseball league opens today, with the first three teams within a half game of each other.

Seattle is leading, with Los Angeles in second place by a fraction of a point over San Francisco, which led the league virtually the entire season.

Oakland, which is in fourth place, three games behind the leader, has an outside chance for the pennant.

The season ends Sunday.

FIRE DAMAGES CHURCHILL DOWNS

LOUISVILLE, Ky., Oct. 14.—Fire of undetermined origin swept a section of Churchill Downs, the Kentucky Jockey club's famous track, today, injuring three firemen and scorching eight others. The property damage was estimated at \$21,000.

There were no horses at the stables when the flames were discovered. The damage was confined to stable A, an adjoining grocery and two residences.

CHILHOWEE SETS WORLD RECORD

Latonia, Ky., Oct. 14.—Chilhowee, the son of Zylor-Bourbon-Liss established a new American record of 1:48 4/5 for a mile and one-eighth here today when he won the Covington purse by four open lengths from Greame and Hopeless. The colt broke the old record held by Goaler and Grey Lag of 1:49 made in 1921.
