Stock Reducing Sale

GREAT throngs of people crowd every aisle of our great store from 9 a. m. until closing time, expressing by their liberal patronage, a determination that the Burgess-Nash Company shall continue as Omaha's greatest department store. All Omaha is taking advantage of the wonderful bargains.

AS our stock rooms are still filled with fine quality merchandise which is marked at prices below replacement cost, each day brings new bargains into our various departments equally as important as those offered during the first few days of the sale.

We Must Turn Our Huge Stocks Into Cash at Once to Secure One Million Dollars for the Creditors

NEVER have the people of this vicinity witnessed as gigantic a sale as our STOCK REDUCING SALE. It is not only the talk of Omaha but the talk of the entire merchandising world. Profits have absolutely been forgotten. The goods are priced for quick clearance.

EVERY item in our entire stock is reduced in price. The merchandise is the best quality—not seconds—or job lots, but goods that measure up to the high standard that Burgess-Nash has always maintained. The sale is for cash only and charge accounts have been temporarily suspended.
