Coolidge Still Polls More Than Half of Ballots

Davis Almost Overtakes La Follette for Second Place in Literary Digest Straw Vote.

Senator Robert La Follette of Wisconsin is losing second place to John W. Davis, but Calvin Coolidge still has 56 per cent of the 2,300,000 votes, which had been polled in the Literary Digest "straw" poll up to October 13, the Digest announces.

California Still Doubtful. California and West Virginia still are doubtful states. Coolidge is leading La Follette by 2 1/2 to 1 and Davis by 5 to 1 in Illinois. The president maintains the same average in Iowa. He leads Davis more than 2 to 1 and La Follette more than 5 to 1 in Indiana; Davis nearly 7 to 1, La Follette almost 2 to 1, in Minnesota, and Davis by 5 to 1, La Follette by 3 to 1 in New York.

from 10 to 33-1/3 per cent," says the Digest. "Taking Mr. Coolidge's vote by states and lopping off a third, as a critic suggests, straight down the list a slightly different story is told, in the return of 2,300,000 votes tabulated to date.

Says---Now Stiff Joints Must Go!
New Discovery Limbers 'Em Up and Even the Creaking Ceases.
Yes; it's true—the world progresses. All you have to do nowadays to limber up that stiff, rusty knee joint is to squeeze a half inch of miracle working substance from a tube. Then rub it on the offending part for about a quarter of a minute or until it soaks through the skin and disappears on its errand of mercy. Then read the evening newspapers and go to bed.
The chances are that your misbehaving knee joint will lose its "creak" while you are dreaming about the high fences you used to leap when you were a youngster.
"And in the morning," says one who has tried the new discovery, you'll feel so happy that you'll want to jump into your sportiest clothes and walk briskly down the street just to show the neighbors that you are not as old as they think you are."
Joint-Ease they call this wonder working substance, for the reason that when ordinary remedies fail they limber up the stiff, inflamed rheumatic joint, or reduce the swelling, Joint-Ease succeeds.
It's a good name for a good, clean, penetrating prescription that in just a few months has proven to a multitude of people that lame, swollen, distorted joints can speedily have the kinks taken out of them and work as smoothly as ever.
But Joint-Ease is for bothersome joints, whether in knee, ankle, hip, shoulder, spine or finger, and for that purpose its sale is immense.
Sold at all drug stores, who have a big supply of it, and druggists everywhere report a big demand.
Always remember, when Joint-Ease gets in joint agony gets out—quick. Mail orders filled, cash or C. O. D. Pope Laboratories, Hallowell, Maine.
