**Stock Reducing Sale**

**WE MUST RAISE A MILLION DOLLARS IN CASH FOR THE CREDITORS**

Although the Burgess-Nash Company has experienced a selling event unprecedented in the history of Omaha's department stores, we still have enormous reserve stocks in our warehouse with which to supply the demands of the public. We are constantly drawing from these surplus stocks to keep our counters well supplied with merchandise and are sacrificing all profits to accomplish our aim—to raise \$1,000,000 in cash at once for the creditors.

Anticipate your future wants now, make your Christmas lists and save by making your purchases at these greatly lowered prices. The merchandise is new, not old style shop worn goods, but merchandise of the finest quality bought for fall and winter selling. You cannot afford to pass up this wonderful money-saving event, where a dollar in cash does double duty, in every department of this great store. Our entire stock of merchandise is radically reduced for this sale.
