South High and Tech, two Omaha tenus in the running for the state and city title, meet Friday after-roon on Tech field. One of the surprises of the past week among high schools was the defeat Stanton handed the crack Neligh eleven. The score was 10 to 0. Neligh had not lost a game in 22 starts. Stanton had been de feated before bucking up against the undefeated Neligh team.

Kearney High, out of the running put the skids under the undefeated Hastings team, 14 to 7, while Sidney and Alliance battled to a 14-to-14 tie game. It was the first game of the son for Sidney. The tie score is sort of a black mark on the Sidney team's chances of winning the state

Cambridge High, 1920 state chamdonship school, continued its winning streak for the 1924 season by defeating the light Minden team, 32 to 0. Coach Claar's Cambridge gridsters meet a tough fot this week in the Curtis Aggies.

The most significant of Saturday's returns was the 12 to 0 de cision of Notre Dame over Prince ton. It definitely settled the status of the Irish as a national leader with Illinois, Lafayette and a comparative few others and exposed Princeton's weakness for what it was. The Tigers, seemingly, had not attack and were badly handled. On the other hand, Notre Dame played even better football than it did against the Army a week before.
