The records show that Counsman's 20 per cent tax reduction claim is unfounded and untrue.

The records show Counsman raised taxes on small homes in 1916.

The records show that Counsman did not reduce taxes on small homes in 1924. The reduction was made by the Board of Equalization on motion of County Clerk Dewey.

The records show that the 20 per cent reduction was made by the Board of Equalization to adjust a raise on small homes made by Counsman when he had reduced the valuation of the Storz Brewery over \$100,000.

You may verify this statement by examining your tax receipts and the records at the Court House.
