  - Hawkers
  - Expands
  - Village in France
  - To strike an attitude
  - Arabia (abbr.)
  - Transportation line (abbr.)
  - Musical note
  - One of Jupiter's loves

**How to Solve the Puzzle.**  
Each number in the diagram indicates the beginning of a word, reading either vertically or horizontally. The same number in some cases begins both a vertical and a horizontal word. The definitions of the words to fill the diagram are given in the lists labeled "Horizontal" and "Vertical," with numbers showing where to start the words in the diagram. To see how many letters each word has, count the white squares until you come to a black square. If you have put in the correct words, they should all agree, horizontally and vertically, with the definitions, and you have solved the puzzle correctly.

**Eight Churches Unite in Services at Ravenna**

Ravenna, Nov. 4.—Eight congregations in and about Ravenna united in celebrating the festival of the reformation. Over 700 people took part in the afternoon's services. Rev. Paul Matuschka of Lincoln, field secretary for home missions of the southern Nebraska district of the Missouri synod, addressed the assembly in the morning, and Prof. H. A. Koenig, a member of the faculty of the Lutheran college and seminary at Seward, Neb., preached the sermon in the afternoon. The choir of Trinity church, near Ravenna, and of Zion church of Shelton sang appropriate hymns.

**Foot and Mouth Disease Report Proves Unfounded**

Bridgeport, Nov. 4.—There is no foot and mouth disease among the cattle in the Kimball country, the prevalent malady being "contagious stomatitis." Fewer deaths were found than first reported in sensational rumors that reached the state department of animal industry, and the simple treatment prescribed is thought to have already brought the disease under control, although all affected cattle are being isolated.

**Married at Long Beach**

Beatrice, Nov. 4.—Announcement has been received of the marriage of Leland Mathews, son of Mr. and Mrs. S. A. Mathews, of this city, at Long Beach, Cal., to Miss Redmond of that city. They will make their home at that place.

The solution will appear tomorrow. Solution of Yesterday's Puzzle.
