

THREE SUSPECTS TO GLENNWOOD

Two Others Given 90 Day Each; Girls Are Still Held.

Three of the seven suspects arrested this week as members of an alleged bandit ring were taken Wednesday morning to Glennwood, Ia., to face trial for breaking into boxcars and a store there. Two other members of the alleged ring were given 90-day sentences in police court on vagrancy charges, while the supposed "queen," 19-year-old Cora Hansen, and the other girl, Eva Houston, 16, are still being held by juvenile authorities.

James D. Grant, Theodore Warner and Harry Hack, who were taken to Glennwood Wednesday morning, have already confessed the robbery, with eight others, to Omaha police. The other confessed robbers included safe robberies in various Nebraska towns.

Dell Allen, 1604 Burt street, and his admitted associate, Mrs. Purdie Wanrow, mother of Eva Houston, were both given 90-day jail sentences when they were arraigned in police court Wednesday morning on vagrancy charges.

Mrs. Wanrow's 13-year-old son, William, testified against Allen at the hearing, declaring that Allen had supplied him with tools and had compelled him to steal automobile tires, which he said Allen sold. Allen was charged only with vagrancy, however, as information against him was indefinite.

SUSPECT TRAILED BY BLOODHOUNDS

Atlantic, Ia., Nov. 4.—The robbery of the office of Robinson & Robinson, veterinarians, and the Park pantorium here over the weekend has brought to a climax a series of petty thefts in Atlantic during the past month.

Bloodhounds brought her early Monday morning took a trail to the home of a suspect, the identity of whom police decline to divulge.

The cash drawer at the veterinary hospital was rifled and the safe in the office of the pantorium was looted. Neither was locked, it was said.

ST. JOSEPH, MISSOURI.—"I heard so much about Lydia E. Pinkham's Vegetable Compound that I decided to try it as I had had such a hard time with my first child. I took nine bottles of Lydia E. Pinkham's Vegetable Compound and I never felt better in my life than the day my baby girl was born. I will be glad to tell what it will do, to any woman who will let me know her address." Mrs. ROSA DAKAN, 227 S. 11th St., St. Joseph, Missouri.

Back to Normal Health
New Orleans, La.—"I took Lydia E. Pinkham's Vegetable Compound and I feel better than I have in a long time. I was carrying my first child and I never felt better in my life than the day my baby girl was born. I will be glad to tell what it will do, to any woman who will let me know her address." Mrs. ROSA DAKAN, 227 S. 11th St., St. Joseph, Missouri.

Consider the statements of these women. They give you the benefit of their actual experience with the Vegetable Compound.

A nation wide canvass of women purchasers of the Vegetable Compound reports that over a million 100 have been benefited by its use.

This is a remarkable record and proves the dependability of the medicine for the relief of the troubles women often have.

For weak and run-down conditions so common after child-birth it is well adapted. It strengthens and tones up the system and restores normal health.

The Vegetable Compound contains no harmful drugs or narcotics and can be taken in safety by the nursing mother. For sale by druggists everywhere.
