Aistols, Pair Re-Be Evicted From Flat in Chicago.

Chicago, Nov. 7 .- Barricaded in a hree-story brick building, two elderly white-haired women, aided by three bulldogs, this afternoon were successfully holding at bay with revolvers a Country Store score of policemen and deputy sheriffs seeking to serve an eviction order putting them out of their flat.

> The presence of the officers at tracted a crowd of several hundred streets. Prior to the arrival of the policemen a 19-year-old youth, urged by a deputy bailiff to enter the building and disarm the women on promise of a reward, ventured to climb through a rear window. One of the women sighted him and rushed to ward him, screaming "I'll kill you!" The frightened youth made a hasty leap through a front window, landing on his head. The woman, however did not fire. The crowd cheered

> reinforcements. The strategy of a policemen ended the siege without a shot being fired. While his fellows went through the actions of making a noisy attack on the front door, drawing the woman guarding the rear of the house to the assistance of her companion, he en ered by the rear way and surprised oth women who were menacing their foes in front.
