

Rail Brotherhoods Plan Campaign for Labor Legislation

Representatives of 20 Organizations Gather at Cleveland to Discuss New Measure.

Cleveland, O., Nov. 8.—Chief executives or representatives of 20 railroad brotherhoods and affiliated labor organizations met here today to plan a legislative campaign before congress, particularly regarding the Howell-Barkley bill, which seeks the abolition of the United States railroad labor board.

The railway brotherhoods and unions will seek to have congress when it reconvenes in December, pass the Howell-Barkley bill, which would substitute machinery for the mediation of railroad labor disputes for the arbitration provisions in the transportation act of 1920.

Mr. Stone's statement follows: "The chief executives of the associated railroad labor organizations convened here today for the purpose of outlining plans toward securing the advancement of the Howell-Barkley bill in the senate and house and to exert every effort to bring about its enactment into law."

The labor provisions of the transportation act were declared by the delegates at the meeting to be a "complete failure."

Details of the railway organization plans to push the Howell-Barkley bill were not divulged.

The conference is understood also to have canvassed the general situation of railroad labor from a legislative point of view.

Text of Statement. Mr. Stone's statement follows: "The chief executives of the associated railroad labor organizations convened here today for the purpose of outlining plans toward securing the advancement of the Howell-Barkley bill in the senate and house and to exert every effort to bring about its enactment into law."

"Our experience with laws governing disputes between employer and employes on railroads teaches us that the transportation act of 1920, the present law, is a complete failure, and that the fact is best evidenced by the large number of decisions of the United States Railroad Labor board, favorable to railroad employes which have never been applied and which the carriers refuse to observe. We propose to restore the principles of the Erdman and Newlands acts which were in effect for many years and operated in very satisfactory manner."

"The Howell-Barkley bill encompasses all of the best features of the Erdman and Newlands acts, and in addition several of the fundamentals of the transportation act of 1920. The bill, if enacted into law, will, in our opinion, result in a greater degree of labor disputes arising on railroads. The bill contains no innovations, but is a composition of present and past laws containing the best features of all."

Expense No Greater. "Expense attached to the operation of the Howell-Barkley bill will be no greater and perhaps much less than the present transportation act."

Organizations represented were: Brotherhood of Locomotive Engineers, Brotherhood of Locomotive Firemen and Enginemen, Order of Railroad Conductors, Switchmen's Union of North America, Order of Railroad Telegraphers, American Train Dispatchers Association, International Association of Machinists, International Brotherhood of Boiler Makers on Ship Builders and Helpers of America, International Brotherhood of Blacksmiths, Drop Forgers and Helpers, Amalgamated Sheet Metal Workers' International Alliance, International Brotherhood of Electrical Workers, Brotherhood of Railway Carmen of America, Brotherhood of Railroad Signal Men of America, Brotherhood of Railway and Steamship Clerks, Freight Handlers, Express and Station Employees, Brotherhood of Stationary Firemen and Oilers, United Brotherhood of Maintenance of Way Employes and Railroad Shop Laborers, National Organization Master Mates and Pilots of America, International Longshoremen's Association, National Marine Engineers' Beneficial Association of the United States of America, American Federation of Labor.

FREMONT NORMAL ALUMNI FORMED

Nearly 100 men and women, alumni of what was formerly the Fremont Normal college, enjoyed a banquet at the Masonic temple Friday night.

A permanent state alumni was organized, with A. E. Long, Omaha, president; Mrs. Ivan Carpenter, Omaha, vice president; and Mrs. H. M. Eaton, Omaha, secretary-treasurer.

The purpose of the organization is to preserve the sentiments and traditions of the Fremont Normal college during the third of a century that the late President and trustee of the school had operated the school before the institution was sold to Midland.

A still larger meeting is to be called for December, to be held in Omaha during the state-wide meeting of the Nebraska Teachers' association, when it is planned to divide definitely on a program to establish some kind of a Clemons memorial.

New Legion Head to Speak in Omaha to Speak in Omaha on Armistice Day

James A. Drain to Dedicate Markers; Mayor Requests Prayers for Soldier Dead.

All traffic will be halted in Omaha for two minutes at 11 a. m. Tuesday for the annual silent tribute to the war dead.

Mayor Dahlman has an order, it is in keeping with the Armistice day services which will be held under the auspices of the American Legion, so that the memory of that November day six years ago will remain vivid with the passing years.

The period of silence from 11 to 11:32 will be enforced as far as possible by traffic policemen, who will stop all street cars and automobiles. At the sound of whistles and bells at 11, motorists out of the zone of traffic officers, and all pedestrians are requested to observe the two minutes' silence.

At 10:45 the morning ceremony will begin in front of the courthouse. The national anthem will be played, followed by the reading by Commander Anan Raymond of Omaha post No. 1, of President Coolidge's Armistice day proclamation. Troops of the Seventh Infantry will fire a volley just before 11, and after the two minutes of silent prayer have elapsed, taps will be sounded. The American flag will then be raised to full staff and bands will play appropriate patriotic music.

Omaha's distinguished guest of the day will be James A. Drain of Washington, D. C., national commander of the American Legion, who will arrive at noon by airplane. He will speak at a luncheon at the Chamber of Commerce, after which he will attend the dedication of markers for memorial trees at Turner boulevard and Dodge street at 2:30.

A band will play "The Star Spangled Banner" there, followed by the invocation by Father John Palubicki, chaplain of Omaha post No. 1 of the legion. Mrs. William Roth, president of the Omaha unit of American War Mothers, and Mrs. H. H. McClure of Kansas City, representing the national organization, will speak. Commander Raymond will introduce National Commander Drain, who will deliver the memorial address. A volley, taps and "Stars and Stripes Forever" will close the dedication of the 40 markers.

The national commander will receive callers from 5 to 5:15 in his room at Hotel Fontenelle. He will be the principal speaker at the legion banquet at the Hotel Rome in the evening, which 1,000 veterans of the war are expected to attend. This will be followed by a dance at the Burgess-Nash tea room.

National Commander Drain's tasks will not be ended with the party, for he plans to confer late at night with local officials about plans for the national convention next year. The co-operation of all the citizens of Omaha is sought by the local legionaries, especially in the two minutes of silence for those who went to war and did not return.

TWO MEN SEVERELY BEATEN BY THUGS

Two men were found by police in an unconscious condition after being severely beaten, supposedly by bandits, Saturday night. Both men were given medical attention at the police station, and physicians say their injuries are not serious.

Frank Alvey, 35, no address, was found lying in an alleyway at Seventh and Leavenworth streets. His head had been badly battered. He was found to have \$250 in his clothes, and police believe that his assailants were frightened away before they had searched him.

Hugh O'Donnell, Fremont, was found lying unconscious at Fourteenth and Chicago streets. He had apparently been struck over the head by a blackjack.

OLYMPICS DEFEAT WEST POINT, 24 TO 0

Pid Purdy and his fast Olympic field machine swamped the West Point gridlers by a 24 to 0 score before some 1,000 fans and fanatics who witnessed the game at League park.

The West Point boys succeeded in holding the Olympics scoreless during the first half of the game. During the first two periods of the contest the West Pointers were unable to make one first down.

In the third quarter the Olympics started the fireworks. Purdy, in this quarter, received a punt and ran 79 yards through a broken field for a touchdown. In this same quarter, after receiving a pass from Shammah, Purdy skirted 20 yards for another touchdown.

The spectators were probably given the greatest thrill of their life in the fourth period. Purdy, standing on his own 49 yard line, sent the oval sailing through the middle of the posts for a beautiful field goal for three points. To show the West Point squad that he really knew football, Purdy intercepted a pass and ran 49 yards for the final touchdown of the game.

"Y" Handball Meet Reaches Semi-Finals. Hoffman and Friedman and Bruegan and Nelson have entered the semi-finals of the Y. M. C. A. mixed doubles handball championships.

Glillespie and J. Gerelick will play Ritchie and Falk Tuesday to determine the other semi-finalist in the upper bracket.

The Greater Omaha league race lightened in the past week. The House of Commons won 119 first place and the A's and B's and the Guaranty Fund Ladies won a tie for second division honors.

Miss Alice Hovens of the Carter Lake Ladies league bowled a 118 score on the Elks' alley.
