By Tad Stuhldreher and Adam Walsh to Play Against Nebraska Saturday; Notre Dame in Good Condition

South Bend, Nov. 12.—Coach Knute Rockne is bending every effort toward whipping his brilliant tootball squad into the acme of condition for the big test of the season Saturday when the Nebraska eleven, who for the last two seasons have broken Notre Dame winning streaks, comes to Cartier field here to do battle with the locals.

The Notre Dame men, barring accidents, are expected to be in the best of shape. Stuhldreher, stellar quarterback, and Adam Walsh, star center, who have been on the injured list will be ready for the fray. With these two mainstays back in the lineup, the full strength of the squad will be thrown against an opponent for the first time since the start of the season.

Besides Nebraska, Northwestern and Carnegie Tech remain on the sched ule of Notre Dame, but the team is pointed for the Cornhuskers. Nebraska's showing to date has not been particularly impressive but it is tradition that Coach Dawson's men play their greatest football against Notre Dame.
