

### Complete Popular Vote Will Reach 26,000,000 Mark

Figure This Year Will Barely Exceed That of Four Years Ago; Coolidge Total Is 14,100,000.

Washington, Nov. 14.—Revised and virtually complete figures on the presidential election of 1924 today destroyed some of the popular illusions that were held by political observers prior to the national march to the polls on November 4.

For one thing, the popular vote, as now compiled, falls considerably short of the 30,000,000 mark estimated by the various campaign managers, and in the final analysis will barely exceed the 26,000,000 mark established in the Harding-Cox fight four years ago.

These figures show that, despite the strenuous and in many instances non-partisan efforts to get out the vote, there are still millions of "vote slackers" who refuse to allow a presidential contest to interfere with their pleasure or routine of life.

Official returns from all states are still lacking, but the vote today had been sufficiently tabulated to reveal some interesting facts about the epochal election, 1924, which will be studied and poured over by the political historians of the future.

James M. Cox has been generally hailed as "the worst beaten" candidate in democratic history. Yet the final returns for 1924 will give this point to John W. Davis, despite the fact that his republican opponent, President Coolidge, ran considerably more state than Cox did, 12 against 11, but he ran more than a million votes behind Cox in the popular vote.

Unofficial but fairly accurate totals for the 1924 election are: Coolidge, 14,100,000; Davis, 8,000,000; La Follette, 4,300,000. The vote for minority tickets such as prohibition, single tax, socialist, labor, American, etc., will be necessary to bring the 1924 popular vote ahead of the 1920 figures.

Coolidge Leads Harding.

On the basis of virtually complete tabulations, which all parties agree is probably accurate, it is shown that President Coolidge ran ahead of Harding in 17 states, California, Colorado, Connecticut, Illinois, Indiana, Kansas, Maine, Massachusetts, Michigan, New Hampshire, New Jersey, Pennsylvania, Rhode Island, Vermont, Wyoming, Florida and South Carolina.

Coolidge ran behind Harding in 21 states, Arizona, Delaware, Georgia, Idaho, Iowa, Kentucky, Louisiana, Maryland, Minnesota, Mississippi, Missouri, Montana, Nebraska, Nevada, New York, North Dakota, Ohio, Oklahoma, Oregon, South Dakota, Tennessee, Texas, Utah, Washington, West Virginia, Wisconsin, Alabama, Arkansas, North Carolina, Virginia, New Mexico.

Davis Behind Cox.

Davis ran ahead of Cox in 19 states, Georgia, Illinois, Iowa, Massachusetts, Michigan, Mississippi, Nebraska, New Jersey, New York, Oklahoma, Rhode Island, Texas, Alabama, Arkansas, Florida, North Carolina, South Carolina, Virginia and Utah.

Davis ran behind Cox in 22 states, Arizona, California, Colorado, Connecticut, Delaware, Idaho, Indiana, Kansas, Kentucky, Louisiana, Maine, Maryland, Minnesota, Missouri, Nevada, New Hampshire, North Dakota, Ohio, Oregon, Pennsylvania, South Dakota, Tennessee, Vermont, Washington, West Virginia, Wisconsin, Wyoming and New Mexico.

La Follette ran ahead of Coolidge in but one state—Wisconsin.

He ran ahead of Davis in 11 states, California, Idaho, Minnesota, Montana, Nevada, North Dakota, Oregon, South Dakota, Washington, Wisconsin and Wyoming.

### POI TASTES LIKE PASTE, CLUB TOLD

Horace M. Higgins does not believe that Omahans will ever become addicted to "poi," Hawaiian cooked food, to which he was introduced during his recent visit to the land of the ukulele. "Poi reminded me of paste used by bill posters in Omaha," Higgins said. "It has about the same consistency and appearance and tasted much the same. For a side dish we had raw fish."

The Omahan related during a talk Friday noon to members of the Continental club at Hotel Fontenelle that it is the custom of native Hawaiians to have only one bed for an entire family. He referred to the grandeur of the scenery and told of the volcanoes.

### Farmer Drops Dead.

York, Nov. 14.—George S. Cushman, 56, York county farmer, dropped dead Wednesday afternoon. Mr. Cushman was making preparations to butcher and was running after a hog when he was struck. He is survived by his wife and two daughters.

### Shopper Loses "Roll."

Allen, Nov. 14.—While trading here at the Allen store, he had lost a roll of bills containing \$105. A short time before he had taken the money from his hip pocket to pay for some goods.

### THREE INJURED IN WRECK OF CAR

Table Rock, Nov. 14.—A car in which Harley Blair, his sister, Mrs. Shuey and son, Shannon, and Mrs. Mary Dennis, all of Lewiston, were returning to their home from Pawnee City, turned over, plunging the occupants underneath. Mrs. Dennis got out first and in so doing severely sprained her back. She received also a severe laceration of a thumb and an ugly gash under the right eye. Mrs. Shuey suffered cuts about the face, and Harley was badly bruised and severely cut, presumably by the shattered windshield.

They were taken to the Pawnee City hospital where their injuries were treated, and with the exception of Mr. Blair, were able to return to Lewiston the same evening.

### Wheel Tax Plate to Be Abolished

State License to Represent Receipt for Payment of City Tax.

Automobile owners living in Omaha will not be required to apply at the city clerk's office hereafter for wheel tax plates.

The new plan, contemplated in an ordinance which will be offered to city council by City Commissioner H. W. Dunn, provides that beginning with the new year every motorist who applies for a state automobile license at the county treasurer's office will be required to pay the Omaha wheel tax at the same time.

Under this system the appearance of a state license plate on an automobile owned in Omaha will mean that the wheel tax has been paid. It has been the custom to issue separate wheel tax plates at the city clerk's office.

The new ordinance provides for the allowance of \$1,650 to the county treasurer for another clerk to handle the wheel tax part of the automobile license fees.

### DROUTH MENACES WINTER WHEAT

Columbus, Nov. 14.—The drouth which has continued for 75 days or since August 1, is rapidly becoming a menace to pasturage and winter wheat, according to farmers and grain dealers. While wheat got a fair start the roots are not deep enough to stand severe cold. The drouth has halted growth. Cattle are being fed from barns almost entirely since available pasturage is gone.

### AFTER BABY WAS BORN

Back Weak and Painful. Mrs. Miller Benefited by Taking Lydia E. Pinkham's Vegetable Compound

Rotan, Tex.—"I am writing to let you know how I have been benefited by taking your medicine. After my second baby was born my back was weak and hurt me continually, so I thought I'd try Lydia E. Pinkham's Vegetable Compound as I had read so much about where it had helped so many women. I had been bothered with my back for over a year, and it would hurt me until I could not do my work, which is keeping house for three and cooking and washing dishes. I tell all my friends if they have any kind of female troubles to give Lydia E. Pinkham's Vegetable Compound a trial. You may use this testimonial if it will help any one."—Mrs. C. R. MILLER, R. F. D. No. 1, Box 76, Rotan, Texas.

In a recent country-wide canvass of purchasers of Lydia E. Pinkham's Vegetable Compound over 121,000 replies were received, and 98 out of every 100 reported they were benefited by its use. For sale by druggists everywhere.

### HOLLAND

The Netherlands or Holland as this tiny, but very important country is most commonly known, has world trade exceeded only by three nations! The land of canals, dikes, windmills and odd customs.

FLAG OF HOLLAND

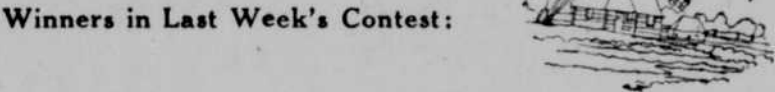

### Schools in Holland

The little Hollander does not have the good times at school that the American child has. School is a very serious place in this little country. There are no games or sports in the lower schools and few in the higher ones. The rules are very strict and the children behave wonderfully.

There are few uneducated people in Holland because all children from seven to fourteen are made to attend the primary and elementary schools which are very fine and free, the Government running them absolutely. Twice a year inspectors drop in on schools unexpectedly and give examinations in all studies. How would you like to go to school in Holland?
