

Yale, Notre Dame May Contest on Gridiron in 1925

Plans Now Under Way to Have Game Played at New Haven Next October.

NEW HAVEN, Conn., Nov. 15.—If the Yale football authorities can provide a date in October, 1925, the famous Notre Dame players, coached by Knute Rockne, will meet the Yale team in the New Haven bowl. If a tentative agreement to this effect, said to have been made recently, cannot be carried out next year Notre Dame surely will play Yale in the bowl in 1926.

Among well posted football men who saw Yale and Army battle to a 7 to 7 draw at New Haven two weeks ago, Notre Dame's splendid eleven and the winning methods of Rockne were live topics. The fact that Notre Dame had outclassed both the West Point and Princeton teams last month was referred to as conclusive proof of Rockne's skill as a gridiron tutor.

Notre Dame's football eleven is bound to be rated among the best so long as Rockne fills the duties of head coach. His contract will not expire for several years and already he is drilling second-string players to succeed sensational stars such as Layden, Crowley, Don Miller, Walsh and others, who have few equals or superiors in the game this season.

According to reliable information obtained in New Haven, Yale is determined to play Notre Dame either in 1925 or 1926. To make room for Rockne's eleven next fall it might be necessary to drop Dartmouth, with whom Yale played a draw a month back. The annual game with Brown could not be canceled in view of Yale's supposed agreement to open the Bruins' new stadium in Providence in 1925.

Dan Bright of England may make a good heavy provided that he learns how to fail.

Athletics Pay \$100,600 for Him

"Connie Mack of the Athletics didn't break any records when he paid \$100,600 for 'Lefty' Grove, the Baltimore pitcher," said Ed Barrows, business manager of the New York Yankees, when the announcement came that the sale of the champion southpaw to the Philadelphia Athletics had been consummated.

"Colonel Ruppert and Colonel Huston paid Harry H. Frazee \$107,500 for Babe Ruth," said Mr. Barrows when dispatches from Baltimore stated that the price had eclipsed that paid for Ruth.

Yank, British Women Golfers Progress Fast

London, Nov. 15.—A golfing expert says that few things of recent years have been more remarkable than the development in ladies' golf, not only in Britain and America particularly, but in the world generally. Their name is "legion" and their keenness is tremendous, more so even than that of their husbands and brothers. The ladies are the best customers of the professionals and without their half of the professional golfers would shut up shop. For weeks ahead they are booked up for lessons to budding Wethereds and Letches.

At Mid-Surry for example J. H. Taylor will stand for days for weeks and for months together, imparting instruction, and 90 per cent of his customers are ladies. Nothing so soul-destroying could possibly be imagined but, curious to relate, Taylor, Vardon, Sherlock, and others seem to like it. At any rate it is not the least profitable side of the professional's business.

ADVERTISMENT. **PRINT THIS ABOUT Joint-Ease Says Druggist**

"Joint-Ease" is selling like hot cakes in my store because it is a wonderful and speedy remedy for all joint troubles. "But why not impress some of the thousands of suffering people with some of the things that dozens of my customers tell me almost daily. "Some say that it knocks out lumbago over night. Others assert that for chest colds and sore throat it has no equal, while many insist that there is nothing they ever tried that is so efficient for neuralgia, neuritis and even head colds and nasal catarrh."

Answering the above letter, we, the makers of Joint-Ease, know that what this thriving New Jersey druggist says is true, but we still maintain that Joint-Ease is prepared for stiff, inflamed, painful, swollen joints, whether in ankle, knee, hip, elbow, shoulder, fingers or spine.

You'll like to use penetrating Joint-Ease, for with just one minute's rubbing, it soaks in through the flesh direct to the ailing bones and ligaments—that's why it succeeds—for when Joint-Ease gets in joint agony gets out—And without any waste of time all swelling and congestion disappears. Sold by all druggists or any druggist anywhere.
