OPERATION ADVISED FRIEND SAID

TryLydiaE.Pinkham's Vegetable Compound First. Proved Good Advice Chicago. Illinois. - "Justa few lines

Chicago. Illinois. — "Justa few lines to let you know what Lydia E. Pinkham's Vegetable Compound did for me. I was married going on for three years, and went to a doctor and was taking treatments twice a week for pains every month. I used to lie in bed three or four days with them and the doctor would call

and inject something into my arm to put me asleep so I would not feel the pains. At last she said I would have to be operated on if I wanted any children. Well, I just happened to go to see a friend with her first baby and I told her I was going to the hospital, and she said, 'Don't do it! You go and get a bottle of Lydia E. Pinkham's Vegetable Compound and you won't need any operation.' So my husband got me a bottle right away. Now I have two lovely children. I recommend the Vegetable Compound to every woman.
