

# Huskers Given Taste of Kansas Aggie Plays in Scrimmage With Freshmen

## Bachman Crew Known for Skill at Passing Game

Wildcats Have Had in and Out Season—Kansans Have Yet to Win Game From Nebraska.

INCOLN, Nov. 18.—A strenuous scrimmage was the order of the day for the Nebraska varsity squad Tuesday. The freshmen, using Kansas Aggie plays, furnished the opposition.

Bill Bronson was calling signals for the first string. Bloodgood and Myers were both on the side lines.

Bachman's Aggies are held in high regard by the Cornhuskers. It means another Saturday afternoon against play basically the same as that of Notre Dame, and it was a long afternoon for the Huskers at South Bend.

The Aggies have had an in-and-out season. The season's scores are as follows:

- Kansas Aggies, 21; Washburn, 6.
- Kansas Aggies, 21; Emporia Normal, 7.
- Kansas Aggies, 6; Kansas, 0.
- Kansas Aggies, 21; Missouri, 14.
- Kansas Aggies, 0; Iowa State, 21.
- Kansas Aggies, 7; Drake, 7.

An automobile caravan containing Cornhusker rosters will leave here Saturday morning at 11. The distance from Lincoln is but 135 miles.

Because of their numerous and intricate forward passes, the Aggies usually furnish a spectacular game, winning or losing. There is a large doubt in the minds of many whether the Huskers will be able to take them this year.

In the eight previous games which have been played between the Aggies and Nebraska the Huskers have emerged victors in each instance. The record of previous games:

- 1911—Nebraska, 19; Kansas Aggies, 0.
- 1912—Nebraska, 20; Kansas Aggies, 0.
- 1913—Nebraska, 24; Kansas Aggies, 0.
- 1914—Nebraska, 21; Kansas Aggies, 0.
- 1915—Nebraska, 21; Kansas Aggies, 0.
- 1916—Nebraska, 21; Kansas Aggies, 0.
- 1917—Nebraska, 21; Kansas Aggies, 0.
- 1918—Nebraska, 21; Kansas Aggies, 0.
- 1919—Nebraska, 21; Kansas Aggies, 0.
- 1920—Nebraska, 21; Kansas Aggies, 0.
- 1921—Nebraska, 21; Kansas Aggies, 0.
- 1922—Nebraska, 21; Kansas Aggies, 0.
- 1923—Nebraska, 21; Kansas Aggies, 0.
- 1924—Nebraska, 21; Kansas Aggies, 0.

## Tech Reserves Win City Title

TECH High's fighting second stringers are now undisputed city champions as a result of their decisive victory over the Central seconds, 6 to 0, Tuesday afternoon at Fontenelle park.

The boys from Cumling street out-generaled the Purple defenders in every quarter of the game outside of the fourth period when the Centralies carried the ball to the 10-yard line only to lose the leather on downs.

The first half of the game was replete with thrills for the crowd that attended the annual classic. During the first two quarters the teams battled each other up and down the field, neither having the advantage over the other. At times the Purple would make a belated spurt, but the Tech forward wall always withheld the onslaughts of the Central secondary defense men.

Coming out for the beginning of the third period the Besten crew seemed to be on its march toward the Maroon goal. After making a few first downs the Tech line resisted and Central lost the ball again. When the Maroons got possession of the ball they started down the field. With Tech unable to gain consistently it looked like a tie game. Toward the end of the third period, MacDermott, Maroon end, moved out to the side of the field, evidently unobserved by a Central man. Just then he received a pass from a Maroon half and raced over the line for the only touchdown of the game. The try for point failed.

Lundgren and Cackley starred for Central while Goff and MacDermott figured in almost every play for the Cumling street lads.

Freeman Wins by Knockout. New Orleans, La., Nov. 17.—Tommy Freeman, Hot Springs (Ark.) welterweight, knocked out Al Knowles of New Orleans here tonight in the fourth round of a scheduled 15-round bout.

## Dozen Sobbing Minnesota Gridsters Turn Out to Be Terrors to Illinois

Minneapolis, Minn., Nov. 18.—Out of tears and prayers came the inspiration which fired 12 Minnesota football warriors to mighty deeds in achieving one of the most startling upsets of the 1924 gridiron season against Illinois Saturday, it was disclosed today.

When the men took the field for the kickoff they choked off the flow of tears but the spirit that evoked them was still there.

Just before the kickoff, the players gathered in a group and Clarence Schutte, who turned out to be the star of the game, led his mates in a short prayer.

The same question was put to Louis Gross but tears were already pouring down the face of the veteran tackle.

Every man in the room was sobbing out a "Do or die" allegiance to the coach.

Just before the kickoff, the players gathered in a group and Clarence Schutte, who turned out to be the star of the game, led his mates in a short prayer.

Just before the contest, Coach "Bill" Spaulding gathered his men about him in the locker room.

"What are you going to do out there, Ted?" Coach Spaulding asked Capt. Cox.

Captain Cox arose, mumbled a few unintelligible words, and broke into tears.

GREB WINS OVER JIM DELANEY. Pittsburgh, Pa., Nov. 18.—Harry Greb, who was forced to halt from two alleged leg punches, one in the first round and another in the second, fought a scheduled 10-round bout with Jim Delaney of St. Paul and won the popular decision.

Greb set a precedent in fighting when he was hit low and writhing in pain in the first round he took a short rest and continued fighting. Three minutes later Greb received another unintentional low blow, but resumed fighting and romped all around the western light heavy-weight.

Glenwood High Defeats Blanchard Eleven, 14-0. Glenwood, Ia., Nov. 18.—Glenwood High defeated Blanchard, 14 to 0. The game was marked by Glenwood's whirlwind offensive which yielded a touchdown in seven plays.

On the seventh play, a 20-yard pass, Stivers ran 10 yards for the first counter. Glenwood played defensive football thereafter until the last quarter, when a passing attack smashed over after three passes, netting 75 yards. Scott, substituting at center, played a wonderful defensive game. Stivers and Stowe were equally strong in this style. Hagerty starred for Blanchard.

Jack Britton lasted longer, according to the experts, than any other fighter because he knew how to conserve his energy.

## South Cagers Start Practice

Basket ball practice got an early start at South High last night when Coach "Rabbit" Cook took charge of Patton's Packer floor team to get them in shape before the football season ends.

Basket ball is one of Cook's specialties and while Coach Patton is busy working out with his football men, "Rabbit" will have the Packers hitting it up in the South High gymnasium, often called the Packer "cheese box."

The Packers have a wealth of material for a fast quintet this season. Reeves, captain and guard, will be back and Hoden, Kalstrom, Urban, Smith, Bernard and Wakefield, last year regulars, will again be out to fight it out for positions.

The big job will be to develop a center with the ability of Captain Wedberg, all-city man. Hoden and Kalstrom are making bids for this position, while Smith, Bernard, and Wakefield are out for the forward positions.

In the event that Firpo's services are not available Madden said he was ready to meet any other heavyweight contender.

Edmondson, Bearcat quarter-back, smashed over for the first touchdown, and White, fleet half-back, raced through the Hamburg team for 95 yards to score the second marker.

## Fremont Ready for Hard Game

Fremont, Neb., Nov. 18.—Fremont High is preparing for what is considered the stiffest battle of the season—the game with Creighton Prep in Fremont this coming Friday.

Fremont's eleven has lost but one game this year. Norfolk succeeded in eliminating the Tiger squad from consideration for the state title by a decisive score. Here is the record of Coach Johnston's squad thus far this season:

University Place, 0; Fremont, 20. Grand Island, 7; Fremont, 13. York, 12; Fremont, 12. West Point, 7; Fremont, 27. South Omaha, 14; Fremont, 15. Wood, 7; Fremont, 21.

Coach Johnston's squad has been diagnosed by local fans as a strong, fast team but somewhat erratic. With only four veterans on the squad, Coach Johnston's efforts have been toward building a machine around this quartet. This machine was running fairly smooth until the run into Norfolk where it suffered a drubbing that really hurt. However, since that game the Tiger squad has come back with victories over South Omaha and Wahoo, both reputed to be strong aggregations.

HUDKINS SIGNED FOR LEGION SHOW. Ace Hudkins, crack Nebraska lightweight, who defeated Frankie Schaeffer last week at Chicago, has been signed for the semi-final of the Pete Latzo-Morris Schaeffer fight at the Auditorium Friday night.

Promoter Miller of the South Omaha Legion has wired Roscoe Hall, Phil Longo, Rennie Lee, Eddie De Beau, Phil Logan or Eddie Barr to meet the slugging Omaha.

Latzo is due to arrive here today and finish his training at the Business Men's gym.

Schaeffer is working hard for the coming fight and went through 10 fast rounds of boxing Monday. For the first time in recent weeks, the "fighting foot" showed his old-time form. He floored Frankie Sinclair and proved to the fans he still packed the wallop that made him famous.

Royal Coffman, amateur champion, who will make his professional debut, is also training hard.

Boxing Commissioner Koster will select a referee Wednesday.

DUNDEE SAILS FOR EUROPE. New York, Nov. 18.—On the eve of sailing for Europe, Johnny Dundee, who recently resigned his featherweight championship title, declared today he may attempt to reclaim the title upon his return here.

Dundee will be a guest at a dinner given in his honor tonight at a Broadway restaurant.

WALKER REFUSES TO BOX FOR \$2,000. Pottsville, Pa., Nov. 18.—When the promoters of the Mickey Walker-Frankie Venchell fight, scheduled for Charlton's hall last night, refused to pay Walker the \$2,000 he had been promised he refused to fight, on advice of William H. Rowan, chairman of the state boxing commission, who was present.

Chairman Rowan said that Walker had been "fair" and had dropped his price from \$2,500 to \$2,000, and then down to \$2,500, but had flatly refused the \$2,000 offered by the promoters.

LINCOLN CLUB BUYS PITCHER. Springfield, Mo., Nov. 18.—Leo Rossi, star southpaw with the local Western association club, who has been a holdout since the close of the 1923 season, has been sold to Lincoln of the Western league.

Want Lid Nailed on High School Football at Vinton. Vinton, Ia., Nov. 18.—Steps to put high school football under the official ban of the Vinton school board were to be taken here today as a result of the death of Roger Stewart, 16, a member of the Vinton team, from injuries suffered in Saturday's game against Anamosa. Stewart's death is the second fatality on the Vinton team in two years. Rowan Harris having been killed in a game against La Porte about a year ago.

## Believe It or Not

THIS story from the Sandhills. Cattlemen find that the few acres of corn which they grow is profitable when reduced to 12 plants to the acre. Duck hunters create a profitable market. The story is that three Omahans out in the hills for a duck hunt found a "legger" and did their very noblest by it. Cranking the Lezzy they started from the ranch house for their hunting place. Upon arrival one hunter found he had left his gun behind. There was a case of shells in the car but no gun.

His companions set down near the lake and the hunter returned to camp for his gun. He got it, lifted the shells out of the car, placed his gun on the seat and returned to the lake.

Then all three had guns and no shells.

A rancher hearing their conversation when they were on their way said that the conversation would have killed ducks at three miles and a quarter.

## NEW YORK BOXING DEGENERATED FROM BIG-TIME BUSINESS TO TENT SHOW DURING LAST NINE MONTHS

Only Decided Change in Affairs Will Save Gotham From Being Second to California in Fistic Game.

Various shows conducted at the garden this season have produced less than 5,000 paid admissions and in consequence, have failed to pay expenses. Others have broken even or shown a profit too small to be considered worthy of attention.

The garden might as well close its doors for all the good it is doing Rickard at the moment.

The answer? It calls for moderation of the demands of champions and near-champions now lying idle because no one will meet their price. They are waiting for the harvest season of the great outdoors, but they will wait in vain if the 1924 returns are a criterion.

New York boxing has degenerated from a big time business to a tent show during the last nine months, and judging from the type of bouts being offered and the almost chronic inadequacy of the receipts, the condition is becoming permanent.

Even Tex Rickard, opened-handed to a fault in the boom days seems to have drawn the purse strings taut and Madison Square Garden now plays host to the second-raters where once it dallied only with headliners.

The garden hasn't produced a bout of national importance since opening its doors for the present season, and only for the fact that the Christmas fund show has signed Tom Gibbons to meet a leading light-heavyweight next month, there would be nothing whatever in prospect.

In the old days the garden never made big money although it drew millions at the turnstiles. Today, it is fortunate if it breaks even on a show. Seemingly, the New York fan has wearied of top prices and will not support his champions in the style to which they are accustomed. Neither will he support the small timers. He seems to want the champions at a price commensurate with his desire to eat for the rest of the week.

## OMAHA NAMED GOLF DIRECTOR

Chicago, Nov. 17.—Despite his announcement at the western open championship that he would retire as president of the Western Golf association next year, Charles O. Pfeil of Memphis has been nominated tonight by the nominating committee who said that the southerner's terms had been so satisfactory that it had been deemed unwise to change chief executive.

For directors, the committee named N. J. Clarke, Cleveland; W. M. Armstrong, Los Angeles; A. S. Deery, Seattle; Guy Hitchcock, St. Louis; and W. J. Foye, Omaha, most of them incumbents. The annual meeting at which officers will be formally elected will be held in Chicago December 13.
