## Fremont Society

Fremont, Neb., Nov. 29.—Thank-  
sgiving day dinners and family reu-  
nions featured Fremont's social af-  
fairs this past week with nearly  
every home and fireside the scene  
of many happy gatherings. Some  
of those who invited friends and re-  
latives to share in the Thanksgiving  
feast were the following: Mr. and  
Mrs. L. P. Larson, Mr. and Mrs.  
Fred P. Jacobsen, Dr. and Mrs. R.  
C. Byers, Mrs. Isabelle Schneider,  
Mrs. Anna Hein, Mr. and Mrs. Earl  
Hammond, Mrs. Catherine Kelly,  
Mrs. Maud K. Peterson, Mr. and  
Mrs. A. J. Albers, Dr. and Mrs. S. A.  
Frost.

Probably one of the oldest  
family Thanksgiving reunions was  
held Thursday at Hooper when mem-  
bers of the Heine family from far  
and near gathered at the home of

## "Most Popular Girl."

Fremont, Neb., Nov. 29.—Miss  
Cora Thorne was chosen the "most  
popular" girl at the big jamboree  
staged by the Fremont Elks lodge  
recently. She was chosen from a  
large number of contenders during  
the week of festivities.

Dr. and Mrs. Howard Heine of that  
city for the 44th annual reunion.  
Fifty members of the Heine family,  
including guests from Fremont,  
Omaha, Hooper and other places  
were in attendance. The usual menu  
of turkey and all the trimmings  
featured the huge family dinner.

J. Howard Heine, Fremont, a  
vice president of the Union National  
bank, and his family represent-  
ed the Fremont branch of the fam-  
ily at the big gathering. Back in the  
50s when the first family reunion on  
Thanksgiving was held, there were  
about 25 assembled around the fes-  
tive board. Since that time the num-  
ber has gradually increased. Practi-  
cally all of the Heine reunions  
have been held in Hooper with the  
exception of one in Fremont and one  
at West Point.

Mrs. Frank Heckes of Fremont at-  
tended a bridge luncheon at the  
Blackstone in Omaha Tuesday.  
Mrs. Edward Pegan of Omaha was  
hostess to Mesdames John Hein,  
Eva Miller, Thad Quinn, Otto Pohl  
and Miss Nona Turner Tuesday at a  
delightful luncheon. Mrs. Pohl left  
Omaha Tuesday evening for St.  
Louis to spend Thanksgiving with  
Miss Althea Marr who is attending  
school in that city.

Mrs. Gerald Sampter entertained  
the mah jong club Tuesday evening.  
Mrs. Fred Spear entertained eight  
guests Saturday evening, with Mrs.  
Robert Geases of Idaho Falls as hon-  
or guest of the occasion.  
Mrs. Carroll Sherman was hostess  
to two tables of bridge Tuesday in  
honor of her sister, Mrs. Robert  
Geases.

Some of those who attended the  
Nebraska Oregon Aggie game at Lin-  
coln Thursday were Messrs. and Mes-  
dames Stewart Livingston, Lloyd  
Lindberg, Gerald Sampter, Everett  
Hammond and Miss Lillian Livingston  
and Lloyd Kerlin.

Mrs. Carl Byroth entertained mem-  
bers of the Maraging club on Monday  
evening. Mrs. James Shepherd was  
the recipient of a kitchen shower.  
Dr. and Mrs. R. T. Van Metre en-  
tertained a number of friends Friday  
evening at a 6:30 dinner in honor of  
Dr. and Mrs. Fred Poppe. Mrs.  
Poppe was complimented at a lun-  
cheon Friday noon at the home of Mrs.  
Murell Shepherd.

Mrs. Fred Wislicen entertained  
members of the P. N. G. club Friday.  
Clovverly Flower club met with Mrs.  
H. Pick on Friday.  
Mrs. Carl Byroth will be hostess  
to the members of the Charity club  
Wednesday.  
Mr. and Mrs. Zac Marr entertained  
members of the G. G. G. club this  
evening.

Mesdames Gerald Sampter, Stewart  
Livingston and Miss Lillian Douglas  
entertained Maraging club today at a  
1 o'clock luncheon. Mrs. James  
Shepherd, nee Sybil Hodges, was hon-  
or guest of the occasion.

**St. Louis Flooded**  
With Fake Checks  
St. Louis, Nov. 29.—This city and  
surrounding towns are being flooded  
with bad checks by an organized  
gang of crooks, according to A. R.  
Plicker, district manager of a surety  
company which writes fraud insur-  
ance.

Plicker says St. Louis is selected by  
the bad-check passers because it is  
almost impossible, under Missouri  
laws, to secure convictions for pass-  
ing worthless checks. He pointed  
out that the law requires proof of  
the intent to defraud when a worth-  
less check is issued, and also gives  
the drawer of the check five days in  
which to make the check good before  
he can be prosecuted.

Plicker exhibited a list of more than  
40 individuals who are known to have  
passed bad checks, but who have  
never been prosecuted.

## Chest Campaign to Continue Until Goal Is Reached

\$315,000 Raised by Saturday  
Night; Workers to Hold  
Rally at Fontenelle  
Monday.

Members of the board of governors  
of the Community Chest have an-  
nounced that the present drive will  
continue until \$402,000, the amount  
needed to finance 29 agencies for  
the coming year, has been subscribed.  
A report from the firm of Ernest  
& Ernest, auditors, who are check-  
ing the pledges as they are reported,  
shows that up to Saturday night be-  
tween \$210,000 and \$315,000 had been  
checked in by them.

"We will raise the money if we  
have to re-solicit every person in the  
city limits," said Harley Conant, cam-  
paign chairman. "The people of the  
city decided a year ago that they  
wanted a Community Chest and now  
that it has operated successfully for  
a year, they should contribute liberally  
to support it."

A rally of workers will be held at a  
dinner given by members of the cam-  
paign board of governors at the  
Fontenelle at 6:15 p. m. Monday eve-  
ning. The names of all persons who  
subscribed \$10 or more last year but  
who have failed to give so far are  
being compiled and will be turned  
over to the workers at the Monday  
evening meeting.

## Women Workers Needed.

Practically \$55,000 has been se-  
cured by the workers in the women's  
division under Mrs. A. H. Pettis,  
chairman.

"I want 100 women to attend the  
dinner Monday evening and agree to  
work at least two days next week,"  
she said Saturday. "I would prefer  
women with their own cars, as we  
want to get the work over with as  
quickly as possible, Wednesday night  
if possible."

Additional firms whose employes  
have given 100 per cent are: Shafter  
Oil company, Fontenelle hotel, Car-  
penter Paper company and E. E.  
Bruce company.

"The results which would ensue  
in case the people of the city did not  
subscribe the full amount should be  
brought to the attention of the  
public," said W. F. Baxter, member  
of the board of governors. "It would  
mean that crippled children would be  
turned away by the Society for the  
Relief of the Disabled and that the  
Associated Charities would be forced  
to turn away many hungry families.  
I do not think that the citizens of  
Omaha permit anything like this to  
occur."

## Ford Employees Give \$2,956.

A total of \$2,496.40 was turned in  
yesterday by employees of the Ford  
Motor company. They were listed in  
the industrial division and the work  
of solicitation was carried on within  
the plant by employees.

W. L. Hinzman, member of the  
board of governors and an active  
social worker, believes that after suc-  
cessful operation for a year, the  
people of the city should rally to the  
aid of the chest.

"We should put this drive over in  
a hurry for the pride of Omaha if  
nothing else," said Walter W. Head  
yesterday. "Other cities are watch-  
ing us and the results of this drive  
will reflect upon the city in general."  
Although complete returns have  
not been received, \$6,954 has been  
turned in from the Union Pacific,  
\$2,967.87 from the Burlington and  
\$682 from the Northwestern employ-  
ees.

## HOT SESSION OF CONGRESS LIKELY

(Continued From Page One.)  
ence. His business men of republican  
leanings, wired congratulations to  
Senator Edge of New Jersey and  
Reed of Pennsylvania for preparing  
and pushing through the ouster resolu-  
tion.

On the other hand, Senator Couzens  
of Michigan, who has warred with  
the administration, and who has just  
been re-elected for six years, said:  
"I never saw such a set of children  
in my life as that conference of re-  
publican senators. The whole thing  
is a foolish bit of baby play."  
Still another republican senator,  
who refused to permit his name to  
be used, said:

**Roosevelt Coaxed Back.**  
"In 1912, Theodore Roosevelt bolted  
the party, headed a third party  
and polled approximately 4,500,000  
votes. After it was over and the re-  
publican party beaten as it never  
had been before, he was coaxed back  
into the party and now has been al-  
most canonized."

Robinson said the attitude of the  
democratic minority in congress  
would be "friendly" toward the ad-  
ministration program. That may  
mean much or nothing at all.  
"About all the program there is in  
either house is the passage of the  
usual appropriation bills, the disposi-  
tion of Muscle Shoals, the disposi-  
tion of the Howell-Barkley bill to abolish  
the railway labor board, and a jumble  
of unimportant bills, that probably  
never will get through anyway."  
If the La Follette insurgents are  
disposed to, and can get sufficient  
democrats to go with them, they con-  
trol enough strength to hold up ap-  
propriation bills and thus compel  
President Coolidge to call the extra  
session, which he
