New York Sugar.

New Tork, Dec. 3.—The raw sugar market today was firm again for nearby sugars, which are quoted at 6.9c, duty paid, although later shipments were obtainable below this level. The only sale eported was 3.500 hags of Peruvian, due to arrive December 23, at 5.54c, duty paid. After showing hesitation at the start and a decline of 1 point in active positions, raw sugar futures firmed up on covering and buying by houses with Cuban connections. The close was 1 to 6 points net higher. December closed at 4.27c. March, 3.06c; May, 3.11c; July, 2.19c. lated.

Refined futures were nominal.

New York, Dec. 3.—Trading in unfinished conton goods was quieter today and concessions were readily obtainable on some of the more staple print cloths and sheetings. Finished goods also were quiet, with bayers less disposed to go on contracting until after the holiday trade is out of the way. Raw sik was unchanged for the day with sales light. Lines of soft finished cress goods and cloaking specialties for the spring season were shown by one large operator. Burlaps were slightly firmer and higher. Knit goods were in fair demand for the fall, some of the large southern mills having sold up for the season to April 1.

New York Coffee Futures.

New York Dec. 3.—A further sharp decline occurred in the market for coffee futures early today owing to easier Brazillan cables and a renewal of Canadia Canadia Inquidation. The opening was 130 to 152 Cacho-Slovakia Denmark points lower and active months sold 130 England to 137 points net lower, March touching or 17.50c and May 16.50c. At these figures the decline was checked by covering or trade buying and there were railles of 60 or 75 points, the market closing at net declines of 65 to 95 points. Sales were estimated at 181,000. Closing quotations: December, 18.25c; January, 19.10c; March 18.20c; May 17.30c; July, 18.80c; September, 16.05c.
