Husker Athletic Board of Control Nullifies Election of Bloodgood as Grid Pilot

Captain Weir Returned Head of 1925 Eleven

thletic Body in Making Decision Attacks Fraternity Political Machine; New Election Plan to Be Evolved.

Special Disputch to The Omaha Bee Lincoln, Dec. 3 .- Absolving the principals, but decrying the use of a fraternity political machine, the Nebraska athletic board of control issued a statement Thursday morning which nullified the election of Elbert Blood good as football captain in 1925. Ed Weir, captain of the 1924 team, was designated by the board to suc

New Plan Sought.

board in its statement pointed out that fraternity politics played an important part in the football elec-It also stated that the board would evolve some plan by which all future captains will be selected. The board's statement follows:

The athletic board of control of the University of Nebraska, after conclusion that fraternity politics exercised an undue influence in the election of the football captain for

"In view of this fact the board of control declares this election invalid. No Direct Evidence.

"The board finds no direct evidence of political activity by any of the principal candidates for the captaincy, but does find that a political situation existed which is not in harmony with the best interests of university athletics. "The board has no interest in the

choice of the captain, but condemns any activity on the part of fraternities which tends to influence ath-"At an early date and after care

ful consideration the board will establish a course of procedure for the selection of future captaincies "It is the unanimous decision of

the board that Ed Weir, the 1924 captain, shall be requested to serve another year and is hereby designated as the 1925 football captain."

"Duster" Mails
