Purple Ribbons Are Given Most Careful Drivers At Grand Island

Special Dispatch to The Omaha Bee.

Grand Island, Neb., Dec. 10.—The third pair of careful drivers to be added to the honorary careful drivers' club of Grand Island is Miss Margaret Reimers and Tom McLaughlin.

This honor is awarded by a secret committee each month to the man and woman considered the most careful drivers during the month.

The idea was started in September by B. E. Riddle and has been carried out under the direction of the chief of police. The committee which makes the awards works on the merit and demerit system. At the close of the month the scores of the drivers are tabulated and the ones having the least demerits and the most merits are awarded the honor.

The honor awarded is a purple ribbon and sticker for the windshield. The first awards were made for September to Mrs. Edward Bigley and Emil Wolbach. The honors for October were made to Mrs. Fay Ferguson and Charles Ruenker.

The drivers are judged upon their observance of the traffic regulations of both city and state and upon common sense and care.

MEMORIAL FOR WAR DEAD, PLAN

Plans for the erection of a memorial to the Omaha and Douglas county war dead were unfolded by Mrs. William Roth, president of the Omaha chapter of the American War Mothers, in an address Tuesday evening before the Omaha post of the American Legion.

Plans for the monument have not been drawn, Mrs. Roth said, and no estimate of the cost, has been prepared.

The post voted to consider the proposal at the next meeting of the executive committee.

Chlorine Gas Heals Sore Gums

The reports of the U. S. army surgeons on the curative value of Chlorine Gas in certain diseases read like modern miracles. Out of over a thousand mixed cases 70 per cent cures are reported.

It is gratifying to find that Chlorine Gas is now available to any person in his home. The gas is combined with other valuable healing agents in a liquid form and has been named Jo-Vex.

Most important of all, it has been found that this new product, Jo-Vex, stops the treacherous gum disease known as Pyorrhea, which is usually accompanied by sore and bleeding gums, loose teeth, etc., and which results in broken health and false teeth unless mastered.

Druggists are ordering Jo-Vex for local distribution. Sherman & McConnell have just received fresh shipments direct from the laboratory. If your druggist's supply is exhausted The Jo-Vex Chemical Co., Akron, Ohio, will send you a full size bottle with complete instructions upon receipt of $1.00.

DRINK WATER TO HELP WASH OUT KIDNEY POISON

If Your Back Hurts or Bladder Bothers You, Begin Taking Salts

When your kidneys hurt and your back feels sore don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salts which helps to remove the body's urinous waste and stimulates them to their normal activity. The function of the kidneys is to filter the blood. In 24 hours they strain from it 500 grains of acid and waste, so we can readily understand the vital importance of keeping the kidneys active.

Drink lots of good water—you can't drink too much; also get from any pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys may then act fine. This famous salts is made from the acids of grapes and lemon juice, combined with lithia, and has been used for years to help clean and stimulate clogged kidneys; also to neutralize the acids in the system so they are no longer a source of irritation, thus often relieving bladder weakness.

Jad Salts is inexpesive; cannot injure; makes a delightful effervescent lithia-water drink, which every one should take now and then to help keep their kidneys clean and active. Try this; also keep up the water drinking, and no doubt you will wonder what became of your kidney trouble and backache. By all means have your physician examine your kidneys at least twice a year.
