he top of Wednesday was a plethors such circumstances there was a plethors of depressing rumors afloat. One was to the effect that the federal reserve re discount rate was to be raised. United States Steel gave no evident of strength. It dropped slowly b steadily until it got to 115%, which w 3mc below its high of the day before. Students of the market watched str particularly. Some of them contended th when the turn was coming that secur would give the signal. Events proved, seemed to prove, they were correct. Well along in the forenoon word et that Shearson Hammil floor brokers v buying steel. A little later steel tur upward and in due time most of others followed. The reaction appare thad speni most of its force. There were extended gains in som sues, such as Lehigh Valley, Internat Combustion Engineering, May Depart
