

Bluejays Pick All-Opponent Football Team

Following in the footsteps of other college and university football teams the country over, members of the Creighton university 1924 grid team have selected an all-opponent eleven. Each member of the Bluejay team made out what he thought would be the best all-opponent team, picking the players best suited for their positions from the teams that have backed up against Creighton this past season.

The all-opponent team as selected by the 1924 Creighton football men follows:

Dilweg, Marquette, left end.
Roebuck, Haskell, left tackle.
Bake, Grinnell, left guard.
Graham, Midland, center.
Christie, Marquette, right guard.
Currie, North Dakota U., right tackle.
Conners, Oklahoma A&M, right end.
Curtin, Marquette, quarterback.
John, Grinnell, left half.
John, Lehigh, fullback.
Lookabaugh, Oklahoma A&M, right half.

Champ Will Fight for Tex Rickard

Los Angeles, Dec. 11.—Reports supposedly from Tex Rickard that he has signed Jack Dempsey for a fight with Tom Gibbons in New York on Independence day are unfounded.

"Dempsey has no fight in sight nor thought of one," said Jack Kearns, the champion's manager, in denying tonight the report.

"If Rickard offers us sufficient money and his offer is not topped by any reliable promoter we will fight Gibbons for him."

"Dempsey and I hope to get in two big bouts this year—no more. If we do, Uncle Sam will get most of it. Between us we paid \$100,000 income tax this year."

"I believe a Dempsey-Gibbons fight would draw, but we want a big fat purse for that scrap. Call me anything you like, but I'm out to make money. So is Dempsey. So is every other sensible guy in the world. If Dempsey draws a million dollar gate, he demands the lion's share of it. And if he doesn't get it he won't fight. And wherever the purse comes from we don't care."

FUENTE EN ROUTE TO MEXICO CITY

El Paso, Tex., Dec. 11.—Tony Fuente, coast heavyweight boxer, who was being groomed for a match with Champion Jack Dempsey, until indicted on a charge of violation of the California law against boxing, is in Juarez en route to Mexico City. Fuente arrived in El Paso Wednesday afternoon and immediately crossed to Juarez where he is the guest of friends.

Coca Colas Win.

The tie in the Farnam Alley Bowling league was smashed last night when the Coca-Colas won two of their three games from the Stephens & Smith team. The "Cokes" won the last two games.

Byron Speece Won Two Games and Lost One But is Traded by Senators

Washington, Dec. 12.—Jim Prothro, Byron Speece and Carr Smith, the three players swapped by the Washington club in the trades which bring Pitcher Stanley Coveleskie of Cleveland and infielder Mike McNally, most recently of the Boston Americans, to the local club, were used mainly as reserve material during their services with the Senators.

Prothro, who went to Boston in exchange for McNally, has been tried out twice by the Senators and each time sent back to the minors. Last season, however, he accumulated a batting average of .333 while here. A foot ailment was the chief

McTigue Says He's Through With New York

New York, Dec. 12.—In a statement issued today Mike McTigue, who holds the world's light-heavyweight title, declared that never again would he enter a New York ring. He said he would defend his title against all comers in no-decision bouts.

"In reference to the Gibbons challenge," he said, "let me say I am willing to meet Gibbons or Gene Tunney."

YANKEES TO GET URBAN SHOCKER

New York, Dec. 12.—Urban Shocker, star pitcher of the St. Louis Browns, will be announced as a member of the New York Yankees either sometime today or at the meeting in Chicago next Wednesday, according to those close to local headquarters.

Five players are involved in Shocker's transfer, according to reports. One of them is said to be Joe Bush, Yankee pitcher.

Tiger Eleven Stranded Last Time Extended Trip Was Taken

COLUMBIA, Mo., Dec. 11.—Money is available for football almost without stint in these days of million-dollar stadiums erected to the ever-increasing popularity of the game but there was a time—less than 30 years ago—when the University of Missouri players financed a quest for laurels away from home by doing odd jobs.

This year the Tigers will travel to Los Angeles to play the University of Southern California, Christmas day, and it has been estimated unofficially that Missouri will be enriched approximately \$75,000 by the trip.

SCHISSLER PRAISES NOTRE DAME TEAM

South Bend, Ind., Dec. 12.—Coach P. J. Schissler of the Oregon Aggies was one of several speakers who paid tribute to the 1924 Notre Dame football team at a dinner here last night held under the auspices of the Notre Villagers' club.

One of them is said to be Joe Bush, Yankee pitcher.

Hawkeyes to Play U. of S. C. Next November

Iowa City, Ia., Dec. 12.—The State University of Iowa eleven will play the University of Southern California at Los Angeles, November 1 next, according to announcement by Coach Ingverson today. This is the first invasion by the varsity team of Pacific coast territory.

JOIE RAY MAY NOT RUN NURMI

New York, Dec. 12.—According to information received at the local A. A. U. headquarters, Joie Ray has not decided yet whether he will attempt to measure strides with Paavo Nurmi of Finland, world's champion distance runner, at the Finnish-American A. C. games on January 6. Ray, it was said, wishes to get a further line on his form in training before entering against the great Finn in the special mile. Nurmi also will take part in a 5,000-meter special, meeting Willie Ritola, who chased him into the tape in the same event at the Paris Olympics.

McGraw Raps Ban Johnson

New York, Dec. 11.—John McGraw, veteran manager of the New York Giants, who was the target of criticism by Ban Johnson at the time of the Dolan-O'Connell bribery scandal, has hit back at the American league president. Revelations were made today of an attack by McGraw, delivered last night at a banquet of National league club owners before whom the Giant leader denounced "base charges and insinuations" against the New York club he accused Johnson of making.

"It is war to the finish against enemies of the National league," said McGraw in reference to Johnson. This statement was echoed at the banquet by William F. Baker, president of the Philadelphia club.

This belligerent attitude, it was said tonight, was characteristic of the feeling which National league magnates would carry into the joint meeting at Chicago next week.

Schools in Russia

Russia, having been one of the cruelest ruled countries, its people have not had much chance at schooling. The rich people have long had splendid schools, but the millions of poor peasants have been left uneducated. During the years just before the war, lower grade schools were started in large numbers and now the Bolsheviks claim that they are doing much to spread learning over all the vast country. The revolution in 1917, when the czar was thrown out, was carried on by the poorer classes who had long been downtrodden and kept in ignorance. Conditions in Russia are so unsettled, we cannot tell what the future of its schools will be.
