

State Basket Ball Tournament to Be Held in Districts Which Coaches Name

Sportsmanship in Schools Better Than Ever Before
Coaches, in Session, Declare That Steady Advance Has Taken Place Over Last Five Years.

Superintendent H. B. Simon of Norfolk was elected an alternate member of the Nebraska state board of control by members of the Nebraska High School Athletic Association Wednesday morning at Technical High school.

W. J. Braham of North Platte was re-elected president of the board for a term of three years. W. G. Brooks of York and A. M. Nelson of Auburn remain on the board.

A marked advance in good fellowship and good sportsmanship among schools of the state was reported by members of the association. The advance has largely occurred during the last five years, it was stated, and many members of the board attribute it to the activities of the board of control.

This year the state basket ball tournament will be played by districts, which already have been fixed, only the finals being played at Lincoln. It was left to the board of control to designate in which cities of the state the preliminary contests shall be played.

Plans for the third annual Nebraska Interscholastic Academic contest were laid at a meeting in Technical High school, presided over by J. G. Masters, principal of Central High. Prof. A. A. Reed of University of Nebraska agreed that the university shall make up all questions and grade them, as in the past.

Preliminary contests will be held on April 25, and the final tests will be held on May 9 in Lincoln. Central High school of Omaha has been the winner in the previous contests.

Penn and Bears Ready for New Year's Clash

Buffaloes Buy Osborne for \$4,500

FRANK OSBORNE

Secretary Hans Reis of the Omaha Baseball club announced Wednesday night that Omaha had purchased Frank Osborne, outfielder, from the Seattle club for \$4,500.

Osborne, who came to the Buffaloes last year on an option from Seattle, proved to be one of the classiest fielders in the circuit. Besides working well in the left garden, Osborne socked the ball for base hits, and his permanent addition to the Omaha club should bolster up that team.

MAJOR LEAGUES FAVOR VETERANS

Major league baseball clubs seem to have something of a hankering for veterans.

Among the many newcomers to be brought up for trial next spring, are a number who have had experience under the big top before this and several who have had many years of minor league experience.

One of the oldest is Outfielder Carlisle, who had been playing for a decade in the Pacific Coast league before he was shunted to the Southern association. Dick Burrus, Ben Karr, Ray Francis, Slim McGrew, Bill Marriott and several others who are not in the pristine blush of youth.

So it would seem that the continual cry for youth is only a silvery sound and does not mean much. Youth is a vital necessity, but when it is not backed with the hardening effect of experience, it isn't of much use.

Complexion better than ever before

Embarrassing eruptions had resisted many treatments

Milwaukee, Wis., May 12.—"A year ago I had a very ugly and embarrassing itching rash on my chin. I tried so many different treatments on it which did little good, that finally I became discouraged. The druggist one day recommended Resinol Soap and I decided to try it and after using it less than one week, the itching and burning ceased. I thought if the soap alone could bring such relief, then the Resinol Ointment must certainly clear away the trouble entirely. After applying it for three nights, you can imagine how delighted I was to find the rash all gone, with not even a trace of redness left.

I now keep Resinol Ointment within reach at all times—would not be without it. I find it very economical to use, as a little goes a long way. I have used Resinol Soap daily and will continue to do so. My complexion today is better than ever before, has a healthy glow and, in fact, is all that it should be—thanks to your wonderful Resinol Soap and Ointment."

(Signed) Mrs. J. — Name and address on request. Resinol Chemical Co., Baltimore, Md.

All druggists sell Resinol Soap and Ointment.

Manager Declares Weather Will Not Hinder Contest

Undeclared Gridsters Face Each Other in Hard Post-Season Contest; Californians Rest.

Berkeley, Cal., Dec. 31.—Football fans of the San Francisco bay region are looking forward eagerly to the east-west game tomorrow between Pennsylvania and California.

The weather was gloomy today, with a constant threat of rain. Despite previously statements that the game might be postponed to Saturday if the weather appeared unfavorable, the contest will be held tomorrow, whatever the elements decide to do, it was announced this evening by R. W. Cortelyou, the California athletic manager.

The California Bears rested today. Coach Andy Smith having decided that further work was not desirable. Lou Young put his Quakers through final secret practice. They still were somewhat stiff from their trans-continental journey.

Neither Team Defeated.

The size of the attendance will depend largely upon the weather, though more than 40,000 seats already have been sold, according to the management.

Neither team has been defeated this season, and California has not tasted the bitter potion in five years. Penn is linked with Yale and Dartmouth for eastern honors this year. As a defensive team the Quakers have made a remarkable record, allowing but 17 points to be scored against them all season. Of these few scores not one is credited to straight football. Two were touchdowns, one an 85-yard run-back of a kickoff, the other a forward pass over the goal line. The remaining 3 points were made by a field goal. The Quakers played a scoreless tie with Penn State and won the other games.

Bears' Record Good.

California's record was not as impressive, yet served to round out the five defeatless years. The Bears played a 7 to 7 tie with Washington and a 20 to 20 tie with Stanford.

During the five years California opposed two representative eastern teams, defeating Ohio State, 25 to 0, and playing a scoreless game against Washington and Jefferson.

Pennsylvania lost to Oregon at Pasadena, Cal., in 1916, 14 to 0.

Walker Meets Runner.

New York, Dec. 31.—Ambition to match strides with Pavo Nurmi, the "phantom Finn" today turned a walker into a full fledged runner.

Harry Gaiger of the Comet Athletic club, Brooklyn, was denied the particular goal of his ambition when his entry was refused for the mile special in which Nurmi makes his indoor debut against a picked field at the Finnish-American games next Tuesday, but he compromised on the next best thing by filing his entry for the three-quarters mile senior metropolitan title race, another feature at the same meet.

Angels Sign Players.

Los Angeles, Dec. 31.—H. A. Sanders, who played ball with the Mexia club in the West Texas league last season and C. W. Johnson, semi-pro, recently arrived from Denver, have been signed up for the pitching staff of the Los Angeles club of the Pacific Coast league, Oscar Reichow, business manager of the Angels, has announced.

Athletes Best Scholars.

New York, Dec. 31.—Varsity athletic rank higher in intellectual capacity than those not participating in collegiate athletic activities, Martin Kemp, professor of psychology at Wooster (O.) college, declared at the meeting of the Society of Directors of Physical Education in Colleges.

National Boxing Association Refuses to Recognize New York Board's Champs

ALTIMORE, Dec. 30.—Declaring that "so-called championships" held under the auspices of the New York State Athletic commission have not official standing outside of that state, and that the winners are looked upon elsewhere as merely "paper champions," Latrobe Cogswell, president of the National Boxing association and chairman of the Maryland State Athletic commission today launched an attack on the New York commission, charging that body with dominating the boxing game and attempting to dictate title matches.

Eddie (Cannonball) Martin of Brooklyn, who recently defeated Abe Goldstein, in a match for the world bantamweight title, will not be recognized as the 15-pound champion outside of New York state, declared Cogswell, nor will the winner of the match this Friday between Louis (Kid) Kaplan, of Meriden, Conn., and Danny Kramer, Philadelphia, be recognized as the featherweight champion.

The recent so-called championships held by the New York commission, have no official standing except in that state, as they are looked upon elsewhere as merely paper champions. Matches are made at their discretion and if the men refuse to fight the opponents selected for them, they are barred until they agree to meet the requirements as laid down by that body. It is true that the purses offered by the promoters play an important part but if the same purse is offered by another state, some means is found by the New York commission which will prevent him from fighting.

George E. Brover, chairman of the New York State Athletic commission tonight characterized the attack against the commission by Latrobe Cogswell, president of the National Boxing association, as a "case of professional jealousy."

"When Dempsey fights a championship match," said Commissioner Brover, "he doesn't seek permission from any governing body to risk his title."

"We are not endeavoring to interfere with any other body governing boxing. We are only directing boxing in this state as it should be directed and operating independently of any other organization."

The New York commission, despite repeated invitations, has refused to ally itself with the National Boxing association, which represents the boxing authorities of about a score of other states.

CUBS SEEK COACH TO REPLACE DUGEY

Chicago, Dec. 31.—Plans for the coming training season and selection of a coach to succeed Oscar Dugey were before Manager Bill Killefer and William Veck, president of the Chicago Nationals in a final conference before Killefer leaves for the club training camp on Catalina Island.

Killefer will spend January and February preparing for the advent of the team March 1, and in angling for a hard-hitting outfielder and possibly an infielder.

Tiger Flowers, Atlanta negro middleweight, who knocked out Johnny Wilson, former champion, recently, has announced he will meet Jack Delaney of Hittelcourt, Conn., on January 16. Flowers meets Joe Lohman of Toledo, O., in a 10-round battle in New York tomorrow afternoon.

to have a good APPETITE!

"Yes! thank you."

A GOOD appetite means a cheerful disposition.

You may have a good appetite if the blood that goes constantly to your vital organs is pure. S.S.S. purifies the blood—a good appetite follows and you will have a clear complexion and will be strong, cheerful and healthy.

Don't go on feeling up one day and down the next—hardly sick but never well—losing "pop," punch and ambition. Hearty eaters are the red-blooded men and women. ENJOY your food! Get back your strength and energy! Reclaim yourself before it is too late! People in a physically run-down condition are an easy prey to disease.

S.S.S. is what is needed. Your blood needs purifying. Your blood-cells supply the energy which keeps your body well and fit. S.S.S. aids Nature in supplying new red-blood-cells—the spark that renews your system. Carefully selected, scientifically proportioned and prepared herbs and barks make up S.S.S.—the great blood purifier which gives Nature a helping hand.

Get back the lost appetite, the missing vitality, the keen, sparkling eyes, that look of determination. S.S.S. will give you more energy, vitality and vigor and a more up and going appearance.

S. S. S. is sold at all good drug stores in two sizes. The larger size is more economical.

See the Winning Drawings of Peter Pan

on Display in the Lobby of the Strand Theater, Omaha

Over one thousand child artists deposited drawings Saturday morning in the ticket office of the Strand Theater, Omaha, after which they laughed, cried and cheered the play of "Peter Pan," as guests of the Strand. Lunch time was forgotten and hundreds of anxious parents called by phone and in person for their children who stayed through three and four performances, so interested were they.

The pictures drawn in the contest were unusually good and it was difficult indeed to choose the winners from so many excellent drawings. Several artists passed on them before the final choice was made, as follows:

- First Prize:**
 Harry Dullen, 2406 Harney St., Omaha.
 Age 15 years.
- Second Prizes:**
 Betty Evans, age 14.
 Sevilla Peters, age 14.
 Bradley Ballbeck, age 14.
 Mary Sue Eddy, age 15.
 Alice Fitch, age 15.

Checks were mailed to the winners by the bakers of

PETER PAN BREAD
