

Notre Dame Triumphs Over Crack Stanford Team in New Year's Contest

Four Horsemen Romp Through and Over Westerners

Rockne Starts Second String but Replaces With Best Men When Opponents Start Down Field.

By Associated Press. Pasadena, Rose Bowl, Jan. 1.—A typhoon of speed whirled out of South Bend, Ind., and landed here today, swamping Stanford university's football team under a 27 to 10 score. Notre Dame had the speed.

The famous Four Horsemen were pitted against Ernie Nevers, Stanford and the national Cardinal. Though he covered himself and his Almie Mater with glory, could not offset their repeated charges.

At that, the huge red-shirted Stanford outchaged the squat blue-jerseyed lineemen of Notre Dame and it was owing to their work that the Palo Alto institution was able to register 10 points in the face of the fierce galloping of the cavalry from South Bend, Ind.

Notre Dame also added to its list of honors that of having scored the first victory for the east in four inter-sectional games played on the Pacific coast this season.

For the first time in a number of years the Rose bowl was packed to capacity. It was estimated that upward of 52,000 watched the contest.

At every moment throughout the four periods the Notre Dame men lived up to their reputation for speed in foot and head.

The start was inauspicious for the easterners. Coach Rockne sent in his second string men to open the fight, but Stanford, strong, aggressive and beefy, shoved them steadily down field. Then Rockne called on his stars, and the real battle was on.

Stanford's errors, which might not have been very costly against other opponents, were fatal when pulled in the face of Notre Dame. When the Cardinal foot slipped the South Bend hand was there to take it.

Stanford started the scoring by a placement kick of Cuddeback's toe, first period.

In the second period, for the only time during the game, Notre-Dame was able to gain consistently through the red line. A proposed drive ended when Layden bored through the line guard three yards to a touch-down.

A few minutes later Layden came to the front again, pulled Nevers' pass out of the air and sprinted 70 yards.

By Associated Press. New York, Jan. 1.—California's victory over the Pennsylvania football eleven and Notre Dame's conquest of Stanford today, left the Pacific coast on even terms in the inter-sectional series which started in 1915. The east and midwest have lost as many games as they have won. The standing:

East	West	Won	Lost	Tied
East	West	7	2	3
West	East	2	7	3

for the second South Bend touch-down converted it. In the third period occurred one of Stanford's expensive errors. Solomon fumbled a punt on his own 20 yard line.

He stooped to recover, when he might have played safely falling on the ball. Huntstinger swooped down on him, shoved Solomon aside, grabbed the pigskin and ran unopposed to the touch-down. Coach Rockne converted Layden in the period. Notre Dame, defying rule and fate, boldly attempted a forward pass within its 20 yard line and Nevers pulled it down.

The following series of line bucks, nearly all of them featuring the hefty Nevers, who savagely shoved, heaved and ground his way to Notre Dame's eight yard line.

Easterners Set for Buck. The Horsemen from the east were set for another buck but it did not come. Walker passed over the line to Ted Shipley and Stanford chalked up a touch-down. Cuddeback kicked goal for the extra point. That ended Stanford's scoring.

In the fourth period Stanford had another opportunity. An intercepted forward pass on Notre Dame's 35 yard line put the ball in Nevers' hands. Nevers was called on and in a succession of plunges carried the sphere to Notre Dame's eight yard line.

The stands thought it was a touch-down for Stanford, but when Referee Thorpe unscrambled the heap of players he found the goal mark had not been crossed.

Nevers' Last Chance. The last scoring play of the contest gave Layden another chance to show his speed. He intercepted a pass from Nevers' hands and led a chase all the way for 35 yards across the Stanford chalk mark. Crowley's toe did the rest.

The Four Horsemen attacked, trotted and galloped with all the abandon expected of them. Harry Stuhldreher's play was handicapped when he twisted his left ankle early in the opening period and it slowed up his play during the remainder of the game although at no moment did it appear that any Cardinal could match any South Bend back field man in point of speed.

Slattery Wins Bout With Two Blows

Buffalo, N. Y., Jan. 1.—Jim Slattery on this city, knocked out with two blows, Joe Egan of Boston, in the first round of a six-round bout here this afternoon. The bout lasted only 30 seconds.

Cagers Given Stiff Workouts in Early Drills

State Champs Meet South Basketeers Jan. 9—First Year for Coach Knapper at Central.

MAHA's five high school basketball squads had some raps during the last week, but the coaches of the prep school quintets are sending their proteges through stiff workouts this week in preparation for the opening games on January 9. On that date Creighton Prep tackles South High at Creighton; Technical plays North High on the Tech floor, and Central High journeys to Council Bluffs to tangle with Abraham Lincoln.

Coach Drennan has been polishing off his state and city championship Creighton Prep team, and although only one letter man, Captain Gould, remains from the 1923-1924 all-victorious team, the Blue and Whites have a fairly good team.

With Halpine, McArville, Clifford Coffey and Walsh as forward candidates, Captain Gould and Larry Adams as centers and Caniglia, Frazz, Dempsey and wise as guards, Drennan has the makings of a fast aggregation.

Coach Knapper is making his bow to Nebraskans in the role of basketball coach this season of the Central High team.

He has veterans back for the forwards and at center, but the loss of Lawson, all-time guard, and Gerelick, another classy backer, has left him without reliable men for the defensive positions.

Marrow and Robertson, forwards, are last year men and are showing up well in early season workouts. Thompson and Love are pushing this pair hard for the forward berths, and although not on a par with either of the first stringers, show possibilities.

Horace is Knapper's best bet at center. Egan, Price, Fetterman and Lepic are the most promising recruits among the guards.

Coach Drummond's Technical High squad looks to be the class of the city aggregation. Drummond has in Charquist and Nelson, forwards; Othmer, center, and Captain Holm, Swartz and Perrot, guards, a combination that is going to be hard to beat.

Charquist and Nelson are both rangy boys, and although Nelson is a comparatively newcomer in high school basketball circles, his play in the Y. M. C. A. church leagues has attracted considerable attention.

Charquist was all state forward in 1923 when Technical won the state title, and his wealth of experience and fund of cage lore is expected to come in advantageously this season.

Othmer made his debut last season, nearly all of them featuring the hefty Nevers, who savagely shoved, heaved and ground his way to Notre Dame's eight yard line.

Easterners Set for Buck. The Horsemen from the east were set for another buck but it did not come. Walker passed over the line to Ted Shipley and Stanford chalked up a touch-down. Cuddeback kicked goal for the extra point. That ended Stanford's scoring.

1925 Will Witness Champs Risking Titles or Being Forced Out of Battle

By Associated Press. NEW YORK, Jan. 1.—Sport, successful to a degree throughout 1924, faces the new year with confidence, with the United States welded into an enormous gridiron and the Americas drawn together through the efforts of the Amateur Athletic association, the professional prize ring and professional baseball. Championships will change hands in the tremendous schedules arranged for every form of athletic competition. The day appears to have arrived when title holders must risk their crowns or be forced out of the battle, leaving the way open to their challengers. This is especially the case in boxing, where the New York state athletic commission has endeavored to keep champions in action.

Tomorrow night the featherweight boxing crown will be placed either on the head of Benny Kramer of Philadelphia or on that of Louis (Kid) Kaplan of Meriden, Conn. The middleweight class is producing some able performers who will soon seek the title that Harry Greb of Pittsburgh captured from John Wilson, Tiger Flowers, an Atlanta negro, who made Joe Lohman of Toledo this afternoon in Brooklyn, is one of the leading aspirants, having defeated the former champion by a three-round knockout. Flowers now is well on the way to a clash with Jack Delaney of Bridgeport, Conn., who knocked out Paul Berlenbach of Astoria, Long Island.

Jack Dempsey, champion of the heavyweights, is expected to fight at least twice during the outdoor season, with Harry Wills, New York negro, who conquered Luis Angel Firpo, and Tommy Gibbons of St. Paul, who remained in the ring for 15 rounds against the titleholder, as opponents. Firpo appears to have been definitely ousted from the ranks of contenders, although he may meet Gibbons soon in a London ring.

The welterweight champion, Mickey Walker, will meet the light heavyweight titleholder, Mike McTigue in Newark, N. J. No decisions are permitted in New Jersey, but Walker can capture McTigue's belt with a knockout.

Something may soon be done in regard to the lightweight crown held by Benny Leonard, who failed to defend it last year. Some capable men are fighting their way up. Prominent among them is Sid Terris of New York. Another aspirant is Tommy O'Brien of Milwaukee.

The new bantamweight champion, Eddie (Cannonball) Martin of Brooklyn, promises to appear in the ring more often than other crown bearers. He has six months in which to make his own decision. If he fails to fight in that time the New York boxing commission will schedule opponents for him.

Many flyweights are anxiously awaiting the return of the world champion, Pancho Villa, from the Philippines, an event expected this spring. Frankie Genaro is the American champion in this class.

Lincoln, Neb., Jan. 1.—The Cotner Bulldogs cage quintet opens the 1925 basketball season on January 7, when the Bethany quintet meets the state champion at the outstanding events of the holiday.

The first was the cross-city race of seven and one-half miles from the ferry, building to the ocean shore. It was won by Vincenzo Goso of the Italia-Virtis club, who negotiated the distance in 42:49.3. William Westergaard, Olympic club, was second. His time was 42:9. William Churchill, Olympic club, and winner of the last two New Year's day cross-city races, was third. His time was 43:15. There were 119 starters.

The second event was the annual "dip" of the members of the Olympic club in the ocean surf. More than 100 of the clubmen took the plunge.

Roper Defeat Rojas. Grand Rapids, Mich., Jan. 1.—Captain Bob Roper, Roanoke, Va., heavyweight, was given a shade over Quentin Romero Rojas, South American heavyweight, in a 10-round bout here today by newspapermen. The bout consisted mostly of infighting at which Roper was superior. Three rounds were credited to Roper, one to Rojas and the others even.

Lohman Loses Point. New York, Jan. 1.—Joe Lohman, Toledo, middleweight, proved no match for Tiger Flowers of Atlanta today and the referee stopped their bout in Brooklyn in the third round with Lohman helpless. The Toledoan had gone to the floor of the first and second rounds under the relentless attack of the negro.

Fuente Wins on Foul. By Associated Press. Mexico City, Jan. 1.—Tony Fuente, the Mexican heavyweight boxer, today won the decision over House Smith, an American boxer, on a foul in the fifth round of what was to have been a 12-round bout.

Warnie Smith Wins. Cincinnati, O., Jan. 1.—Warnie Smith, Bartlesville, Okla., won the newspaper division over Joe Anderson, Covington, Ky., in 10 rounds here this afternoon. The weight was 150 pounds.

Bluejay Cagers in Good Shape for Bulldog Contest

Creighton Squad Will Rest Today in Preparation for Hard Battle Saturday Night.

Creighton university's cage squad will have a respite from practice today, New Year's day, but Coach Schabinger plans to send his Bluejays through a stiff practice Friday night to wind up the training for the Drake game at the Hilltop gymnasium Saturday night.

As the Drake game will be the last home game before the last of January when Creighton plays Notre Dame, the Blues are out to win from the Bulldogs.

They have been practicing zealously every night, and Coach Schabinger expressed satisfaction in the work outs last night. He declared that his charges had improved over the form shown prior to the Minnesota game, which the Bluejays lost, 23 to 24.

The injury bugaboo has failed to take toll of the Creighton squad and Schabinger hopes to be able to send his full battle strength against the Bulldogs.

Spittler, whose knee has been bothering him ever since the Marquette football game last November, will be in better shape for this game than he was for the Minnesota game.

The injured member is coming along in good shape, and the husky guard is expected to play a good game.

Drake will invade Omaha with a strong squad of cagers. They have several veterans back in uniform, and the Bulldogs are looking for the Missouri Valley conference title.

Seats for the game are on sale at the regular ticket depot.

The other veteran performers are Jesse and Harold Bost, guards; Capt. Ralph Hurlbut, center; and forward; Elvin Gemler, G. Yetter and John Caldwell, forwards. New men on the squad who are giving promise are Paul Steves, center and forward; William Gentry, center and forward; D. F. Harrington, Oscar Wilber, Donovan Dennis and Theodore Radinsky.

Kaplannof and Kramer to Meet

New York, Jan. 1.—Louis (Kid) Kaplan of Meriden, Conn., and Danny Kramer, Philadelphia south-paw, survivors in the featherweight elimination tournament, meet tomorrow night in a 15-round match at Madison Square Garden to determine the wearer of the world's 126-pound crown.

Kaplannof worked his way into the final round of the tournament by out-punching Bobby Garcia of Camp Holabird, Md., and knocking out Jose Lombardo of Panama in the fourth round of a 12-round match, the only knockout of the tournament. Kramer won the decision over Mike Dundee of Rock Island, Ill., in his first round match and drew a bye in the semifinal bracket.

Both boys are hard hitters and able boxers. Kaplan, one of the ring's most tireless workers, always fights on the aggressive, boring in every minute and making up in punching power what he lacks in boxing science.

Kramer, one the other hand, is a polished boxer, able to give and take and carrying a punch with his left hand that will likely worry Kaplan.

The principals have been ordered to weigh in at the offices of the state athletic commission at 2 o'clock tomorrow and both must be under the 126 pound limit.
