**This Is the Merchandising Sensation of 1925. The Occasion
Brings the Most Economical Money Saving Opportunity**

Cost and Former Selling Price Forgotten!

This Receiver's Sale of the Burgess-Nash stock by the Brandeis Store will stand for years as the most astounding value-giving event ever announced in Omaha. Indeed we seriously doubt if another such extraordinary buying opportunity will again be offered the people of Iowa and Nebraska for years to come, due to the fact that the sale is broad enough to include every want of the home, man, woman or child.

So immense were the Burgess-Nash stocks (embracing as they did everything to be found in a modern department store) that we have entirely forgotten costs and former selling prices in order to secure an immediate disposal of all merchandise in the shortest time possible. The true value of what this means to your pocketbook can best be realized when you see the huge stocks and note the extremely low prices.

**Burgess-Nash Had a Reputation For
Carrying Only High Grade Merchandise**

Buy as you never bought before for you are assured the utmost in satisfaction as the Burgess-Nash Company had a reputation for carrying the choicest merchandise on the market. The excellence of quality and variety of styles will please the most exacting purchaser.

Those who take advantage of this sale will never forget the savings for dollars will do double and triple duty—yes, even more. And it is a safe sale. The merchandise that makes up the great Burgess-Nash stock has not been cheapened, nor has the quality been cut. It is only the prices that have been affected.

**One of America's Greatest Sales!
The Savings Will Never Be Forgotten**

This Receiver's Sale of the Burgess-Nash Stock is recognized by stores all over America as the one master merchandising event of the year. Everything from that huge store, including many of our own special purchases, is scheduled to go, absolutely regardless of former value.

Be on hand when the doors open Monday morning. Plan on staying all day. Visit every floor and every department. Money saving opportunities will be found on every hand. We will endeavor to give our usual prompt service in making deliveries, but in case there is slight delay, we ask your indulgence.
