Home Today

Fifteen hundred persons visited the model electrical home last Saturday and Sunday. They were amazed by the many new electrical conveniences incorporated in this home.

Visit this home today. You, too, should view the many new electrical features.

The home displays proper lighting for every room and includes every electrical convenience.

It was erected with special care by Benson & Garrett from the exact plans of the \$15,000 home which was awarded as first prize in the national Better Home Lighting Essay Contest.

The furnishing and decorating were installed by Orchard & Wilhelm Co. and every room is complete in every detail, according to the latest and most modern plans.

You Are Urged to Make An Inspection of This Home
