## When We Build

"Let us think that we build for ever. Let it not be for the present delight nor for present use alone. Let it be such work as our descendants will thank us for, and let us think as we lay stone on stone that the time is to come when these stones will be held sacred because our hands have touched them and that men will say as they look upon the labor and wrought substance of them, 'See! This our fathers did for us."-John

> JOE SHAVER Supt. of Construction
