Magnesia Best For Your Indigestion

Warns Against Doping Stomach With Artificial Digestents

Most people who suffer, either occa ionally or chronically from gas, sournes and indigestion, have now discontinued disagreeable diets, patent foods and the use of harmful drugs, stomach tonics, medicines and artificial digestents, and instead, following the advice so often given in these columns, take a teaspoonful or two tablets of Bisurated Magnesia in a little water after meals with the result that their stomach no longer troubles them, they are able to eat as they please and they enjoy much better health. Those who use Bisurated Magnesia never dread the approach of meal time because they know this wonderful anti-acid and food corrective, which can be obtained from any good drug store, will instantly neutralize the stomach acidity, sweeten the stomach, prevent food fermentation, and without the sightest pain or discomfort. Try this plan yourself, but be certain to get pure Bisurated Magnesia especially prepared for stomach use. medicines and artificial digestents, and
