Will you be occupying a better position and enjoying a bigger salary than you do today? That depends upon your ambition, your fore-sight, and your training. Creighton University cannot give you ambition in this advertisement. Creighton cannot make you a gift of foresight. But, Creighton does offer you, in the Night Sessions of the College of Commerce, Finance and Journalism, the Training you will need for success.

The future is what you decide now to make it. If you have ambition and foresight and want training, Creighton's Night School will serve you well. ...

SPECIAL 18-WEEK WALTON COURSE IN **Constructive Accounting** BEGINNING FEBRUARY 4TH

The Walton Course in Constructive Accounting is the acknowledged Standard method of teaching this subject. You can take Creighton University's Night School course in Constructive Accounting in 18 weeks-just one-half the time usually required. The instructor, Mr. H. M. Frost, besides being a successful Practicing Accountant and head of his own firm of Certified Public Accountants, has the following academic qualifications: A. B., Nebraska; L. L. B., Creighton; L. L. M., Columbia; C. P. A., Nebraska. The best course, the best instructor, and the shortest time. Open to beginners as well as advanced students.

Special accounting classes will be limited in numbers. Make arrangements at once and be sure your application is in in time to be accepted.
