

JOIN THE LEGION

There are a hundred good reasons why every American who is eligible to join the American Legion should join Omaha Post Number 1. Of these hundred reasons we offer but two, either of which ought to be sufficient evidence of the value of American Legion Membership.

FIRST---It is the DUTY of every ex-service man or woman eligible to membership to join the American Legion because of the work the Legion has done and is doing for disabled veterans. "Help carry a buddy's pack" is more than a mere phrase---it is an obligation upon humanity and a problem to which the Legion alone knows the answer.

SECOND---The eyes of the Nation are on Omaha as the city designated for the National American Legion Convention in October. The responsibility of entertaining the largest and most unique convention in the history of the Legion rests upon the Omaha Post. It is your duty to your buddies, your city and your state to help keep Omaha Post the largest American Legion Post in the world.

Don't wait for a solicitor to "drag you in." Call Headquarters at 16th and Farnam streets and join now! The need is great. The cost negligible. It is an honor that but one in twenty may enjoy. **JOIN THE LEGION NOW!**

OMAHA POST No. 1
"The World's Largest Legion Post"

Here Is the List of Some of the Things Omaha Post No. 1 Did During 1924---

Maintained 5-bed ward in local hospital which has provided hospitalization for several hundred service men.

The Post's employment bureau secured approximately 1,500 jobs during the past year for service men.

Provided meals and lodging for 500 men.

Gave assistance to approximately 5,000 men in applying for the government Adjusted Compensation certificates.

Conducted twenty funerals of service men.

Collaborated with American War Mothers in placing name plates on trees planted in memory of deceased service men.

Co-operated with existing agencies in the promotion of Americanization work.

Sponsored a Boy Scout troop.

Developed Omaha Post Drum and Bugle Corps, the finest in America.

Provided Thanksgiving and Christmas baskets for families of fifty service men.

Provided a Thanksgiving and a Christmas dinner for thirty transient service men.

Assisted with over 2,000 claims of veterans for disability compensation, vocational training and hospitalization.

Assisted with over 2,000 claims of veterans for various kinds of service claims---state bonuses, lost discharges, allotments, back pay, etc.
