Famous Old Recipe for Cough Syrup

Easily and cheaply made at home, but it beats them all for quick results. Thousands of housewives have found that they can save two-thirds found that they can save two-thirds of the money usually spent for cough preparations, by using this well-known old recipe for making cough syrup. It is simple and cheap but it has no equal for prompt results. It takes right hold of a cough and gives immediate relief, usually stopping an ordinary cough in 24 hours or less. Get 2½ ounces of Pinex from any druggist, pour it into a pint bottle, and add plain granulated sugar syrup to make a full pint. If you prefer, use clarified molasses, honey, or corn syrup, instead of sugar syrup. Either way, it tastes good, keeps perfectly, and lasts a family a long time.

It's truly astonishing how quickly

and lasts a family a long time.

It's truly astonishing how quickly it acts, penetrating through every air passage of the throat and lungs—loosens and raises the phlegm, soothes and heals the membranes, and gradually but surely the annoying throat tickle and dreaded cough disappear entirely. Nothing better for bronchitis, spasmodic croup, hoarseness or bronchial asthma.

Pinex is a special and highly concentrated compound of genuine Norway pine extract known the world over for its healing effect on membranes.

Avoid disappointment by asking Building Permits.

Mrs. Miles Was Miserable a Long Time -Owes Final Recovery to Lydia E. Pinkham's Vege-

table Compound

Dover, Ohio. - "After my last baby was born I was up and around again, but I was sickly all the time and did not know how to

get my work done. I had washed a heavy carpet and I think that was the cause of my troubles. I went to several doctors, but their medi-cines did not do me

any good. I asked what the trouble was, for I could hardly walk and always had such pains in my left side and then in my right side. He told me I had inflammation that caused it. I had one of your text-books and was reading it, and I thought I would take Lydia E. Pinkham's Vegetable Compound. After four days of taking it I began to feel better, so I took three bottles without missing a day. That bottles without missing a dose. That helped me more than any other medicine I had yet taken and I always have it handy now. It surely did put me on my feet again."—Mrs. JAMES MILES, 419 Cherry Street, Dover, Ohio
