

Fourth Degree Knights to Hold Silver Jubilee

Dinner on Lincoln's Birthday to Observe Holy Year; Reception for Archbishop Harty.

A dinner and reception under auspices of the fourth degree assembly of the local organization of the Knights of Columbus will be held at Hotel Fontenelle on Lincoln's birthday anniversary, next Thursday.

This occasion will be responsive to the designation of 1925 as "holy year" by Pope Plus XI. The fourth degree is the patriotic degree of the Knights of Columbus and it is announced that this dinner will commemorate the silver jubilee of the establishment of the degree. There are more than 100,000 members of the fourth degree in the United States.

Another feature of the dinner will be a public reception for Archbishop J. J. Harty, who was in Rome last fall. The archbishop will speak and will convey a message from the pope. Francis P. Matthews, member of the board of directors of the supreme council of the Knights of Columbus, will preside at the dinner.

Arrangements will be made for 400 attendants at the dinner. Women will be present. The dinner will be at 7.

Columbus Sportsmen Form Walton League

Columbus, Neb., Feb. 7.—Columbus sportsmen organized a chapter of the Izaak Walton league here with a charter membership of 172. Officers elected were: Judge W. N. Hensley, president; Dan Bray, vice president; Fred Boehm, secretary; L. F. Phillips, treasurer; C. L. Gerard, J. C. Byrnes, H. A. Graves, Jack Elliott and Joe Gutzmer, directors.

The chapter will send representatives to Lincoln, headed by J. C. Byrnes, former chairman of the democratic state central committee, to win support for several bills now pending in the legislature which are of special interest to Nebraska sportsmen.

Parent-Teachers Favor Child Labor Amendment

At the regular meeting of the Hawthorne Parent-Teachers' association last week, the members went on record in favor of the child labor amendment.

Resolution was passed requesting the secretary to forward a copy of the record to every member of the legislature.

The meeting was addressed by Charlotte Townsend Whitcomb on "School Questions."

HAVE DARK HAIR AND LOOK YOUNG

Grandmother kept her hair beautifully darkened, glossy and attractive with a brew of Sage Tea and Sulphur. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this old-time recipe, improved by the addition of other ingredients, all ready to use, at very little cost. This simple mixture can be depended upon to restore natural color and beauty to the hair.

Well-known druggists say everybody uses Wyeth's Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and beautiful.

WEAK, RUN-DOWN NERVOUS, DIZZY

Mrs. Lee Suffered From All These Troubles, but Lydia E. Pinkham's Vegetable Compound Made Her Well

Terre Haute, Indiana.—"I was weak and run-down and in such a nervous condition that I could hardly do my work. I was tired all the time and dizzy, had no appetite and could not sleep. I tried different medicines for a year but they did not help me. Then my husband saw the ad. for Lydia E. Pinkham's Vegetable Compound in the newspapers and had me take it. I regained my strength and never felt better in my life. It completely restored me to health. I had practically no suffering when my baby boy was born and he is very strong and healthy. I know that the Vegetable Compound is the best medicine a woman can take before and after child birth for health and strength. I would be willing to answer letters from women asking about the Vegetable Compound."—Mrs. Wm. J. Lee, Route E, Box 648, Terre Haute, Indiana.

Lydia E. Pinkham's Vegetable Compound is a dependable medicine for all these troubles.

Beautiful Lake Okoboji, Vacationists' Rendezvous, Is Now Village of Shanties for Gillnet Fishermen

Two Feet of Ice and Deep Snow Replace Sparkling, Blue Waters of Summer.

Special Dispatch to The Omaha Bee.

Arnolds Park, Ia., Feb. 7.—Lake Okoboji, in northwestern Iowa, where many have spent vacations, presents a different aspect now than last summer when vacationists skimmed across its rippling bosom in a fast boat.

Two feet of solid ice, surmounted by a blanket of snow has replaced the sparkling water, and upon this lovely surface rests a village of fishing shanties similar to the picture.

For six weeks the gillnet fishermen have been lucky and their hauls worth while, but many have not yet paid for their nets out of the sale of fish. Several reasons have been given. One is that the fish do not swim in extremely cold weather. Another is that the game and fish department have been ridding the lakes of the "soft" fish all fall by means of dragrows, and the big fellows are getting somewhat scarce. Millions of game fish are hatched every year at the state hatchery at the head of East Okoboji lake, and the game and fish department are doing all in their power to make room for these little fellows.

Each man and woman issued a license for gillnet fishing signed a contract to sell their fish under state inspection at 4 1/2 cents a pound. They drive out to their shanties daily. Usually two fish together. Each one is allowed 400 feet of net 15 feet wide, and when two fish together they can use the same shanty.

First the men go out with chisel and rope (picture No. 1) the former to chop the holes open where the net is tied up, the latter to tie on the far end of the net. Returning to the shack they pull up the freed net through a hole in the ice and the floor of the shanty, frequently warm-

Placing their catch (if any) in the live net, which hangs down in the water from a rope tied to the ceiling.

of the shack, they pull the net out into place again by means of the long rope, tie it up in two or three places, then take chisel and rope on to the next net.

Picture No. 2 shows the fishermen peering down through the hole in the floor of his shack, trying to detect a gulper, in one or more of the four nets set at right angles from a central point just under the shanty. An experienced eye can foretell the size of the day's catch in this manner.

Picture No. 3 shows four Okoboji fishermen and a sample of their day's catch. From left to right, H. W. Kellogg, Mrs. Alfred Rohr, E. M. Kellogg, Alfred Rohr.

CLUB TO DECIDE ON PARK OPENING

The Southeast Improvement club will hold its regular meeting Friday night at the Bohemian National hall.

Several important questions pertaining to the future of South Omaha will come up for discussion at this meeting.

Southeast Improvers Will Meet on Friday

Members of the Southeast Improvement club have requested the city commissioners to name the new muni ball park, "Koutsky park," in honor of City Commissioner Joe Koutsky.

The date for the formal opening of the park will be set at the next meeting of the club. The city commissioners will be invited to attend the opening ceremonies.

Failure of the city to sell the park bonds is causing many property owners in the vicinity uneasiness.

AURORA CHURCHES VOTE TO COMBINE

Aurora, Neb., Feb. 7.—The Congregational and Presbyterian churches of Aurora have voted to combine. For some time committees had been working out the plan of federation and special meetings of the two congregations were had Thursday evening to vote upon the proposed plan. The vote was practically unanimous in both churches.

The new church will be called the Federated church of Aurora, and all funds received for benevolences will be divided evenly. The officers of the new church will be also divided in the same proportion for two years, after which they will be chosen at large.

Attention: Classified Advertising Manager.

Omaha Branch OMAHA, NEB.

Feb. 5, 1925.

Dear Sir:

I am writing this letter to you to thank you for the wonderful results we have been getting from Bee Advertising. The greatest results which we have received of late were Wednesday morning from a small ad advertising some of our used cars. Five people called for inspection before eight thirty morning and over fifteen called between eight thirty and noon. We made several sales direct from the advertising and this is to assure you that you will naturally receive a large amount of our automobile advertising in the future.

Very truly yours,

HERBERT H. CHALMERS, Retail Sales Manager, WILLYS-OVERLAND, Inc.
