This week with each nationally advertised "Florence" Oil Cook Stove, a 3x6 Congoleum Rug will be included free.

More Heat

This Demonstration is held to acquaint you with an economical way of cooking, for the "Florence" burns kerosene, the cheapest fuel. There are no smoky, smelling wicks and when burning, air is mixed with the kerosene, creating an intensely hot, gas-like cooking flame close up under your cooking or baking and is easy to regulate.

**\$1 Down Delivers a "Florence" Oil Cook Stove This Week**  
 See it Monday—we believe it the best stove you can buy.
