Former Mayor Scores "So-Called Good Citizens" for Difficulty in Prohibition Enforcement.

Differs With His Partner

Ed. P. Smith, former mayor, speak the men's Bible class at First Central operate in Omaha. He stated there not in sympathy with certain law and will not take a stand against

Mr. Smith made it clear in his im assioned plea for observance of law, that he is not in accord with his law partner, Frank S. Howell, on the sub ject of the 18th amendment. He did Farm Relief, Postal Pay and not refer to Mr. Howell, but his statements ran counter to expressions made by Mr. Howell at the annua banquet of the Walter Head Bible class in First Presbyterian church two weeks ago.

Differs With Partner.

On that occasion Mr. Howell stated that some of those before him were increases and legislation of lesser imviolators of the 18th amendment, that portance are hanging in the balance the methods of enforcing this law as congress finds itself with just eight were contrary to the spirit of Christ, and one-half working days left in this and he attacked the efforts of the gov- session. ernment to exercise a control over domestic affairs. At the following regu lar meeting of the Walter Head Bible class N. H. Loomis stated that the night sessions, serve to complicate was said the the result of co-operation by churches, house and senate. big business and science, all working of human progress.

former mayor made in his talk Sun- through by noon March 4. day morning was his allusion to the support of "good citizens" to bootleggers and also their opposition to the 18th amendment as a law.

Frederick Gimbel of New York. playing at the big table, won 100,000 francs Wednesday night at

Probably the most pathetic story of the gaming table is that of a big, burly, primitive South African lumber king, who, arriving at Cannes a fortnight ago, announced that he intended to "Crush the Greeks" by the power of his money. The first night he put 500,000 francs on the table. To date he is loser approximately 14,000,000 francs and is now reduced to playing at the 60franc minimum table.

Adolph Zukor, Archie Selwyn. Arthur Hopkins and Gilbert Millet have held their long heralded meeting at Cannes to decide what is to done to liven up the drama. Zukor's proposal is that the managers come to a tacit agreement to form an "intellectual combination" to study public desires, thus enabling them to keep unclean plays away from Eroadway and avoid

Moonshiners Blamed for Fearful Death of Officers Whose Bodies Are Found With Throats Cut.

Burned to Hide Crime

Kansas City, Feb. 22 .- The mutilated bodies of two men. one a member of the Kansas City police department and the other a former police department chauffeur, were found today in a moonshiner's cave. The men had been missing since Tuesday and there had been a city-wide search

for them. Police declare that the men had discovered the moonshiner's lair, had carted away a truck load of liquor, and had been surprised by the moonshiners and murdered. Both men had their throats cut and had been beaten over the head. Their dead bodies had been covered with gasoline and burned. To hide the crime, the slayers

placed the bodies on a pile of wood, threw gasoline into the pit and ouched a match. Then, when the odies were burned almost beyond A teamster told the police that
