# to Re-open 3 Cuts Air Probe

Investigation Terminated so Abruptly Last Week Will Be Resumed by Vote of 5 to 1.

### More Funds Discovered

Washington, Feb. 24.-After debat ing the matter in two executive ses sions, the house aircraft committee today voted, 5 to 1, to reopen the aircraft investigation which it abruptly terminated Saturday,

Members said an apparent lack of funds caused the termination of the inquiry, but that an audit of the committee's accounts showed sufficlent money remaining to complete the work that had been mapped out for the few days remaining before the ournment of congress March 4 Plan Joint Session.
